

How to pay with a  
mobile using the  
**Google Pay™ mobile  
app** and a card **Ticket  
Restaurant®?**

You can make a mobile payment via the Google Pay™ at every partner that accepts Ticket Restaurant® meal card payments and owns contactless bank terminal.

Check that one of these symbols is displayed at the cash register.

1

Unlock your phone  
with Google Pay™  
installed in it.

NFC must be  
enabled.

# 2

Hold your phone at the POS terminal. Google Pay™ starts automatically. Ticket Restaurant® meal card must be set as the primary card.

# 3

Wait a few seconds, until a notification indicating a successful payment appears on your screen.

Payments over €20 must be confirmed with a PIN code.
