

How to pay with a  
mobile using the  
**Google Pay™ mobile  
app and Edenred  
Card?**

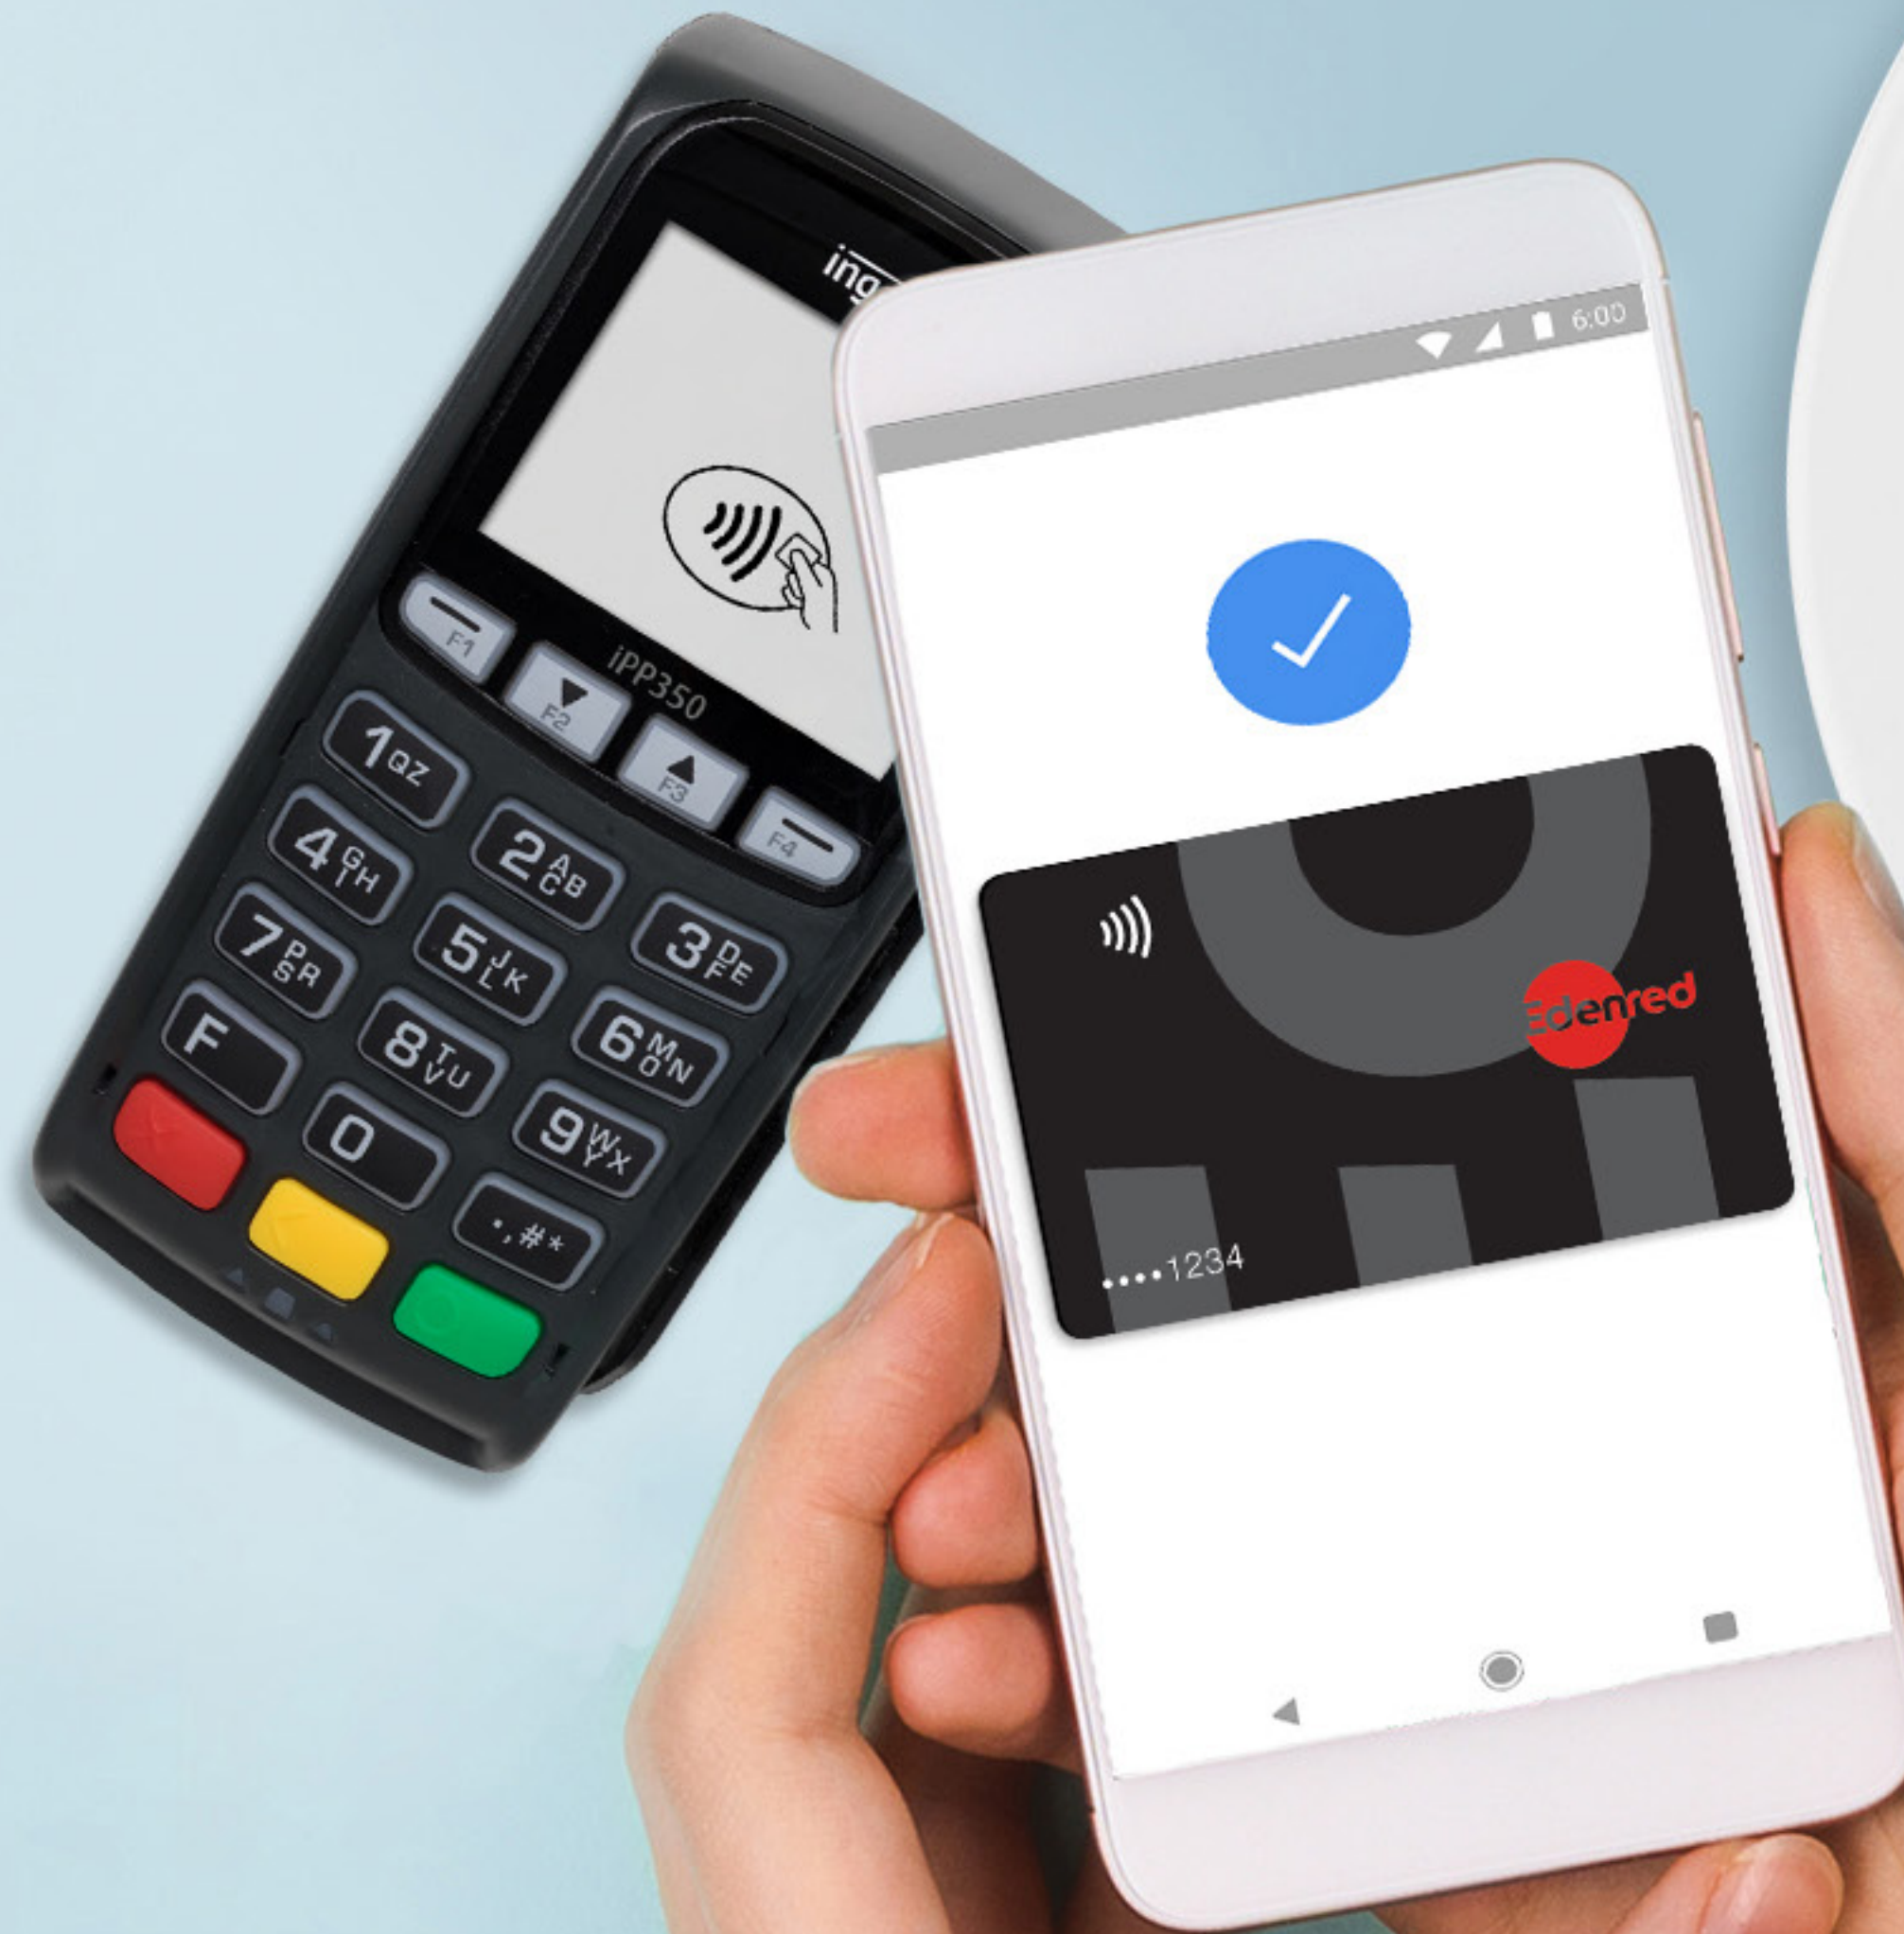

You can make a mobile payment via the Google Pay™ at every partner that accepts Edenred Card payments and owns contactless bank terminal.

these symbols is  
displayed at the cash  
register.

1

Unlock your phone  
with Google Pay™  
installed in it.

NFC must be  
enabled.

Funkcia NFC musí  
byť zapnutá.

# 2

Hold your phone at the POS terminal. Google Pay™ starts automatically.

**Edenred Card must be set as the primary card.**

# 3

Wait a few seconds, until a notification indicating a successful payment appears on your screen.

Payments over €50 must be confirmed with a PIN code.
