

How to register Edenred Card for mobile payment through **Google Pay™**.

1

Create an account and activate your Edenred Card at www.mojedenred.sk

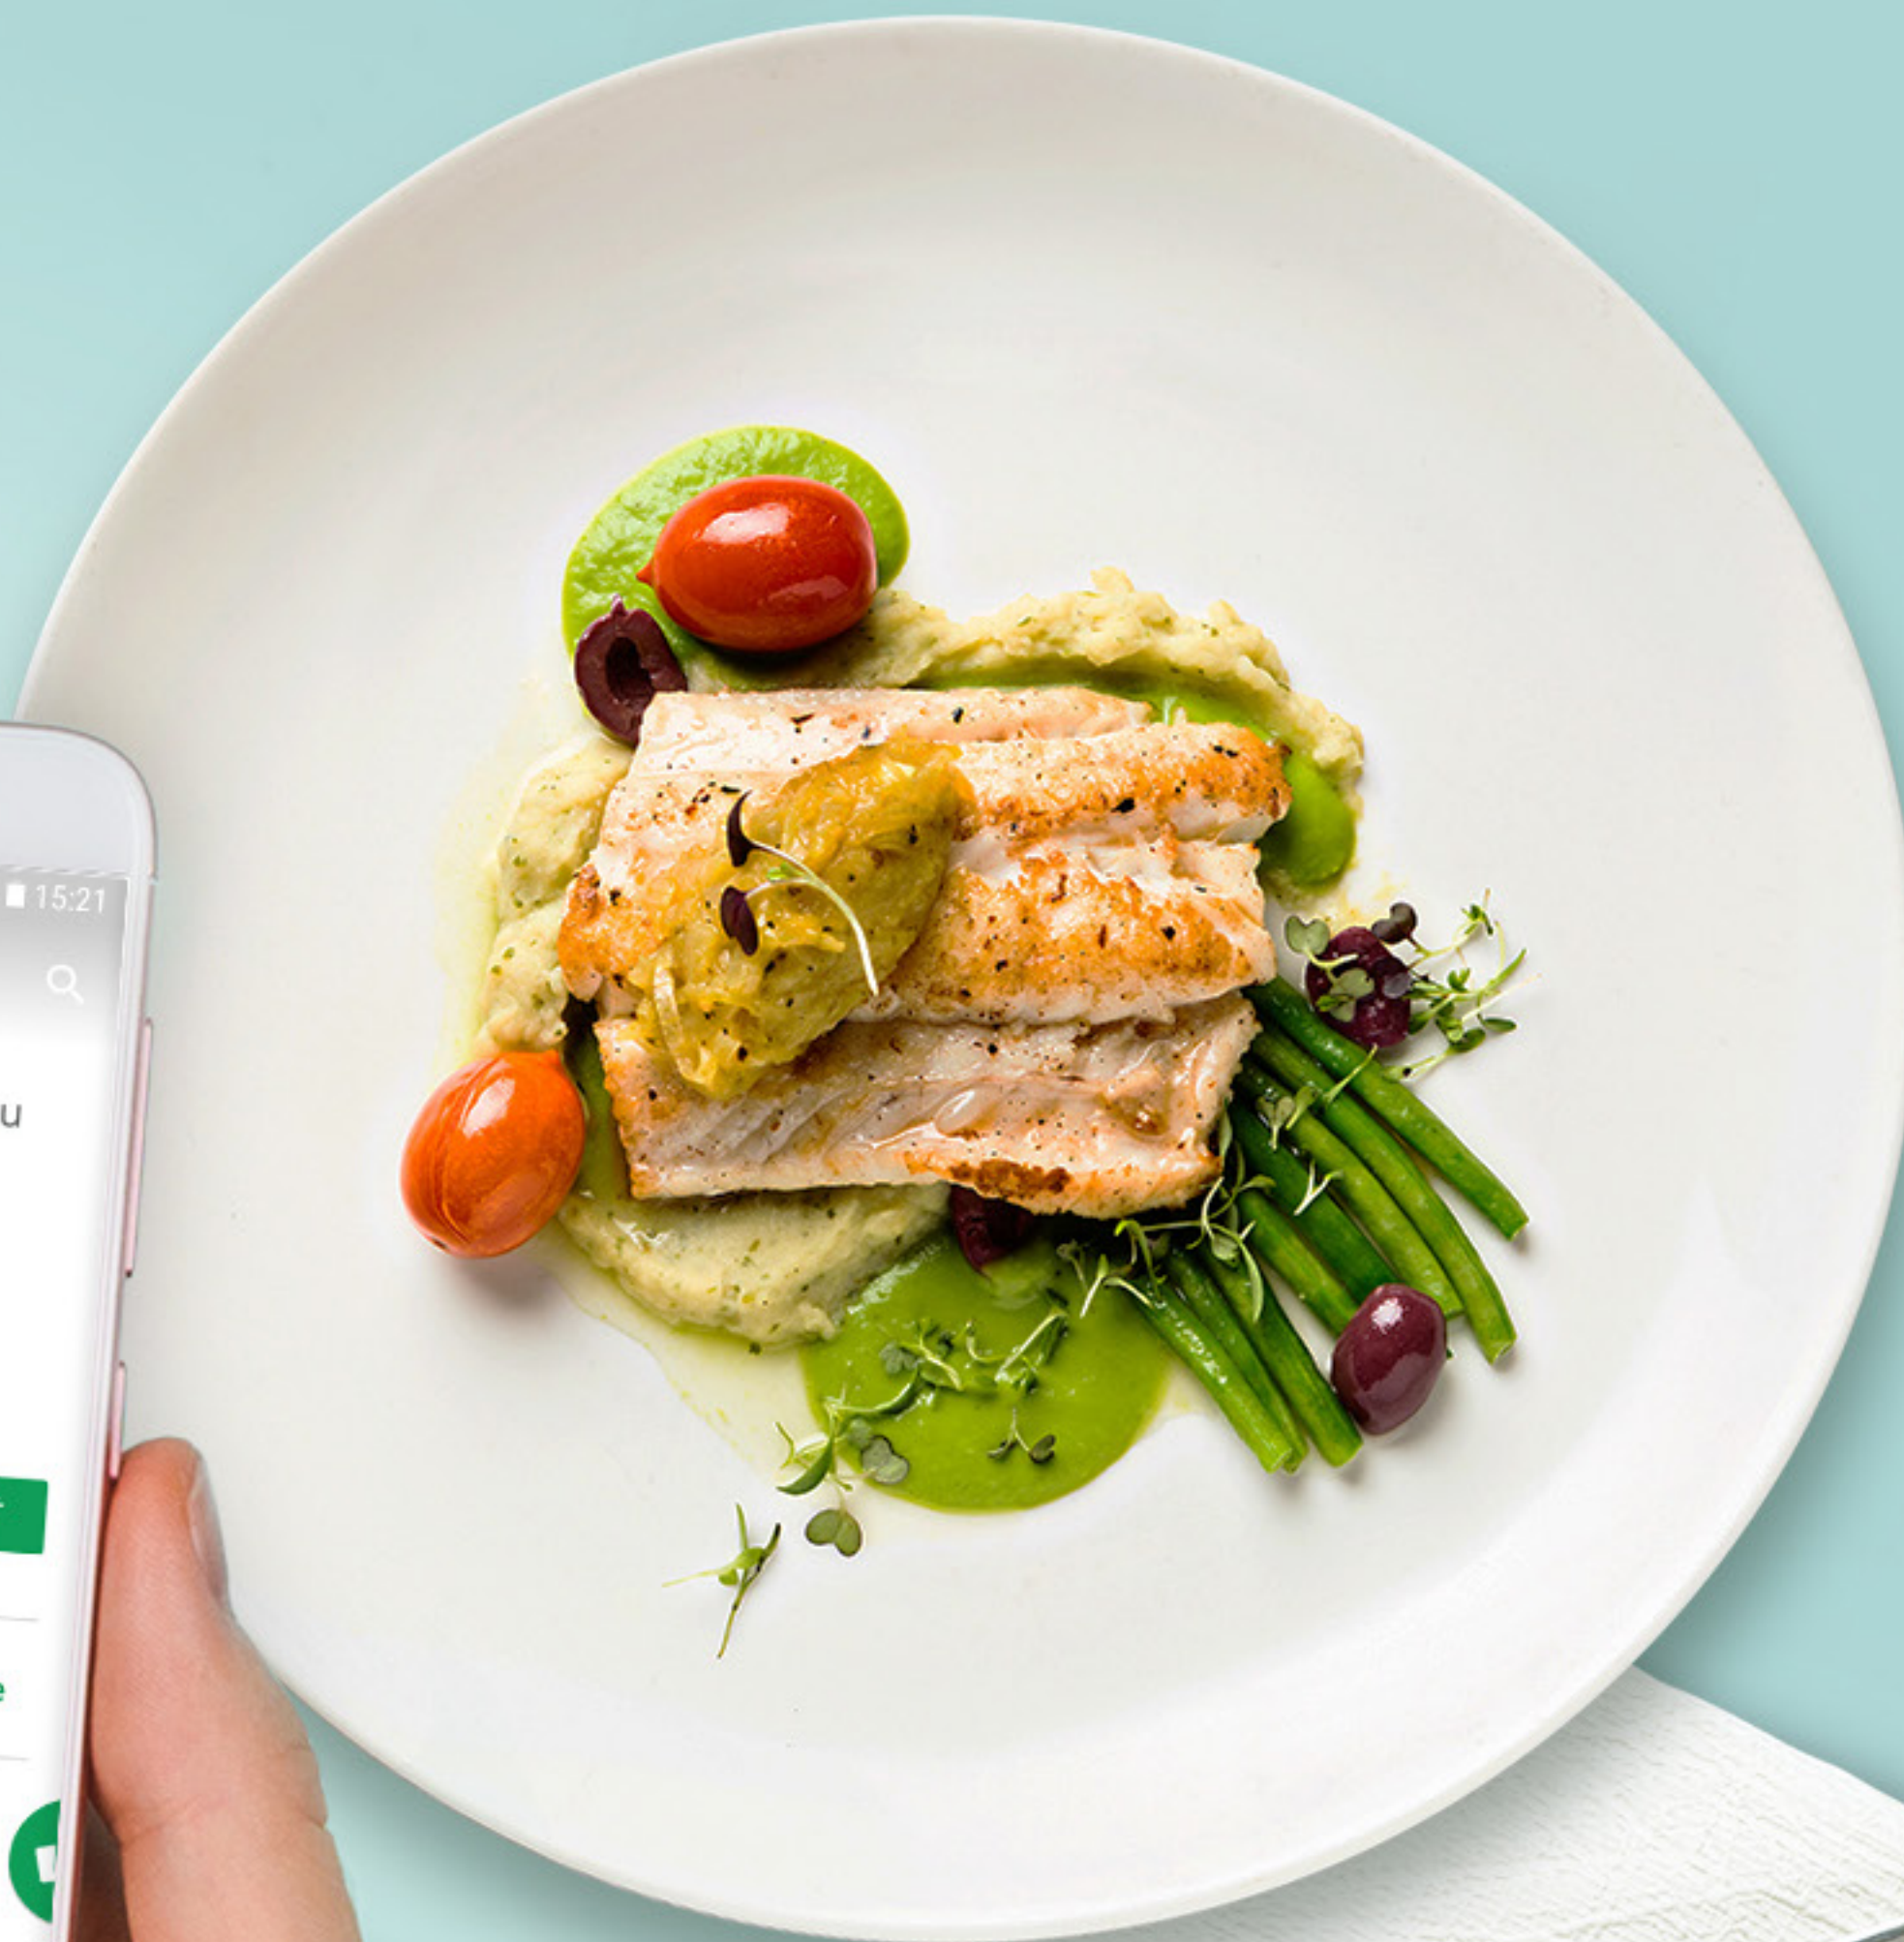

If you have an account already created, or Edenred card activated, continue with a step 2.

2

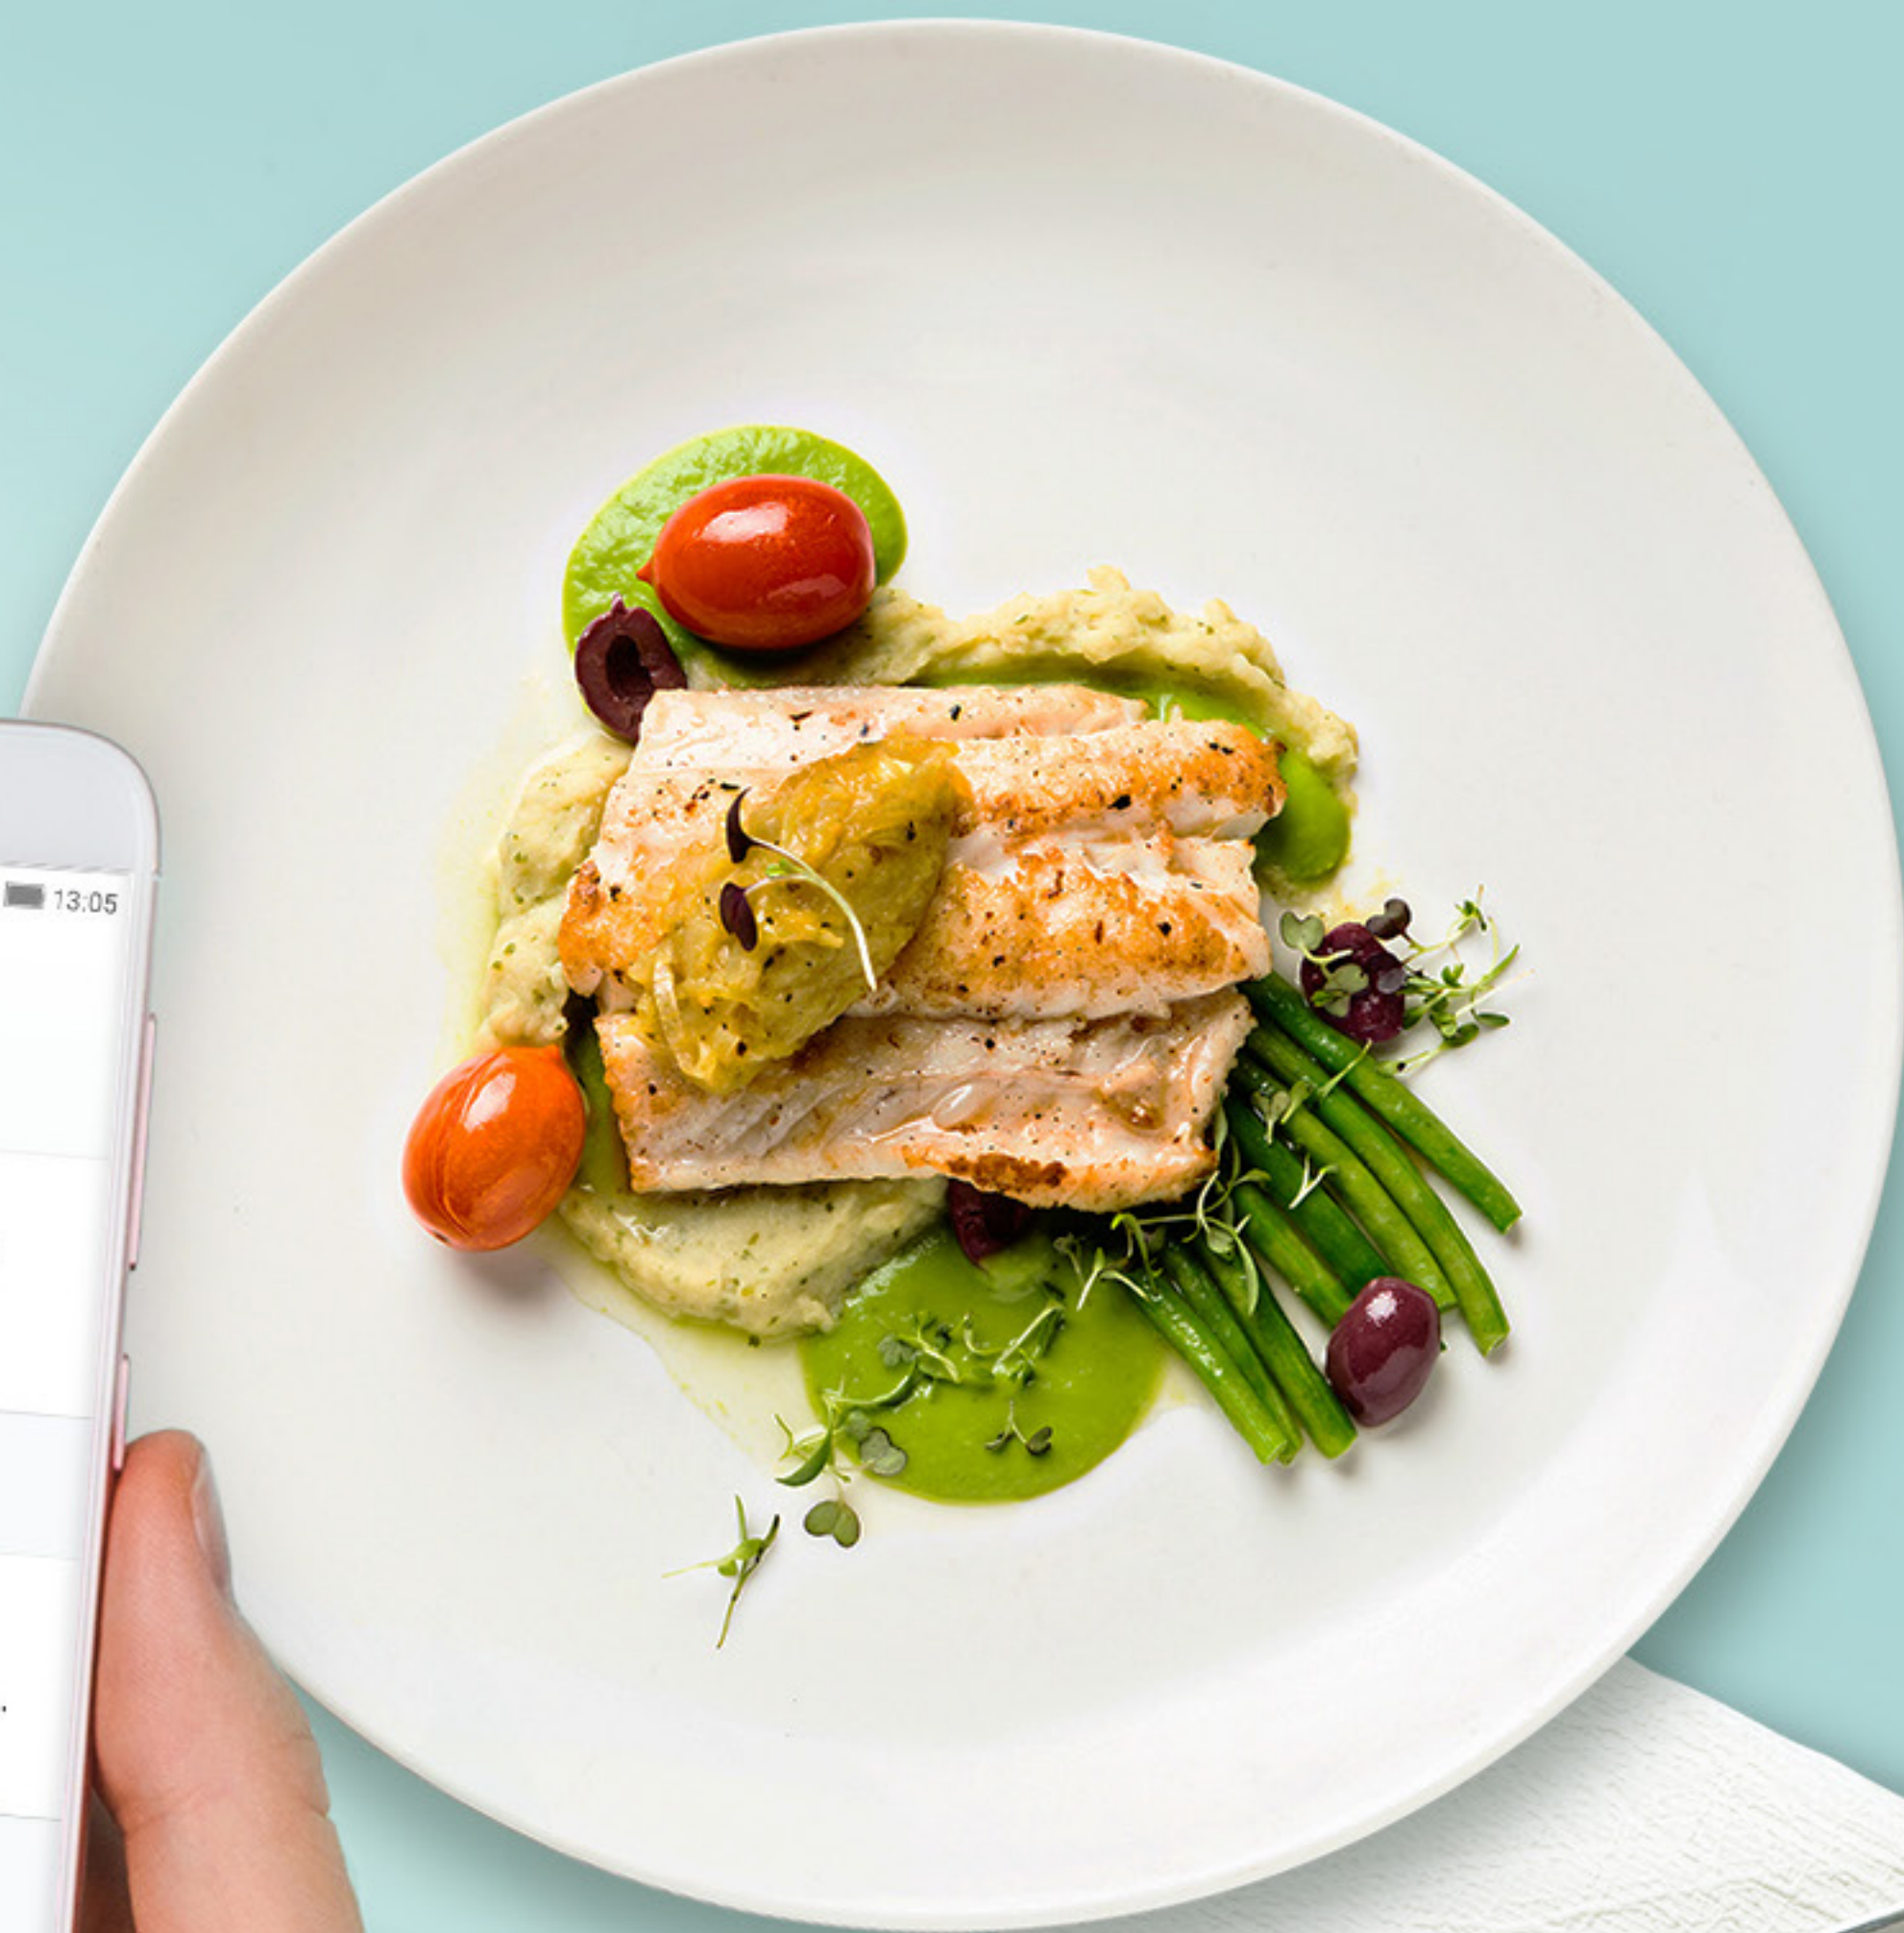

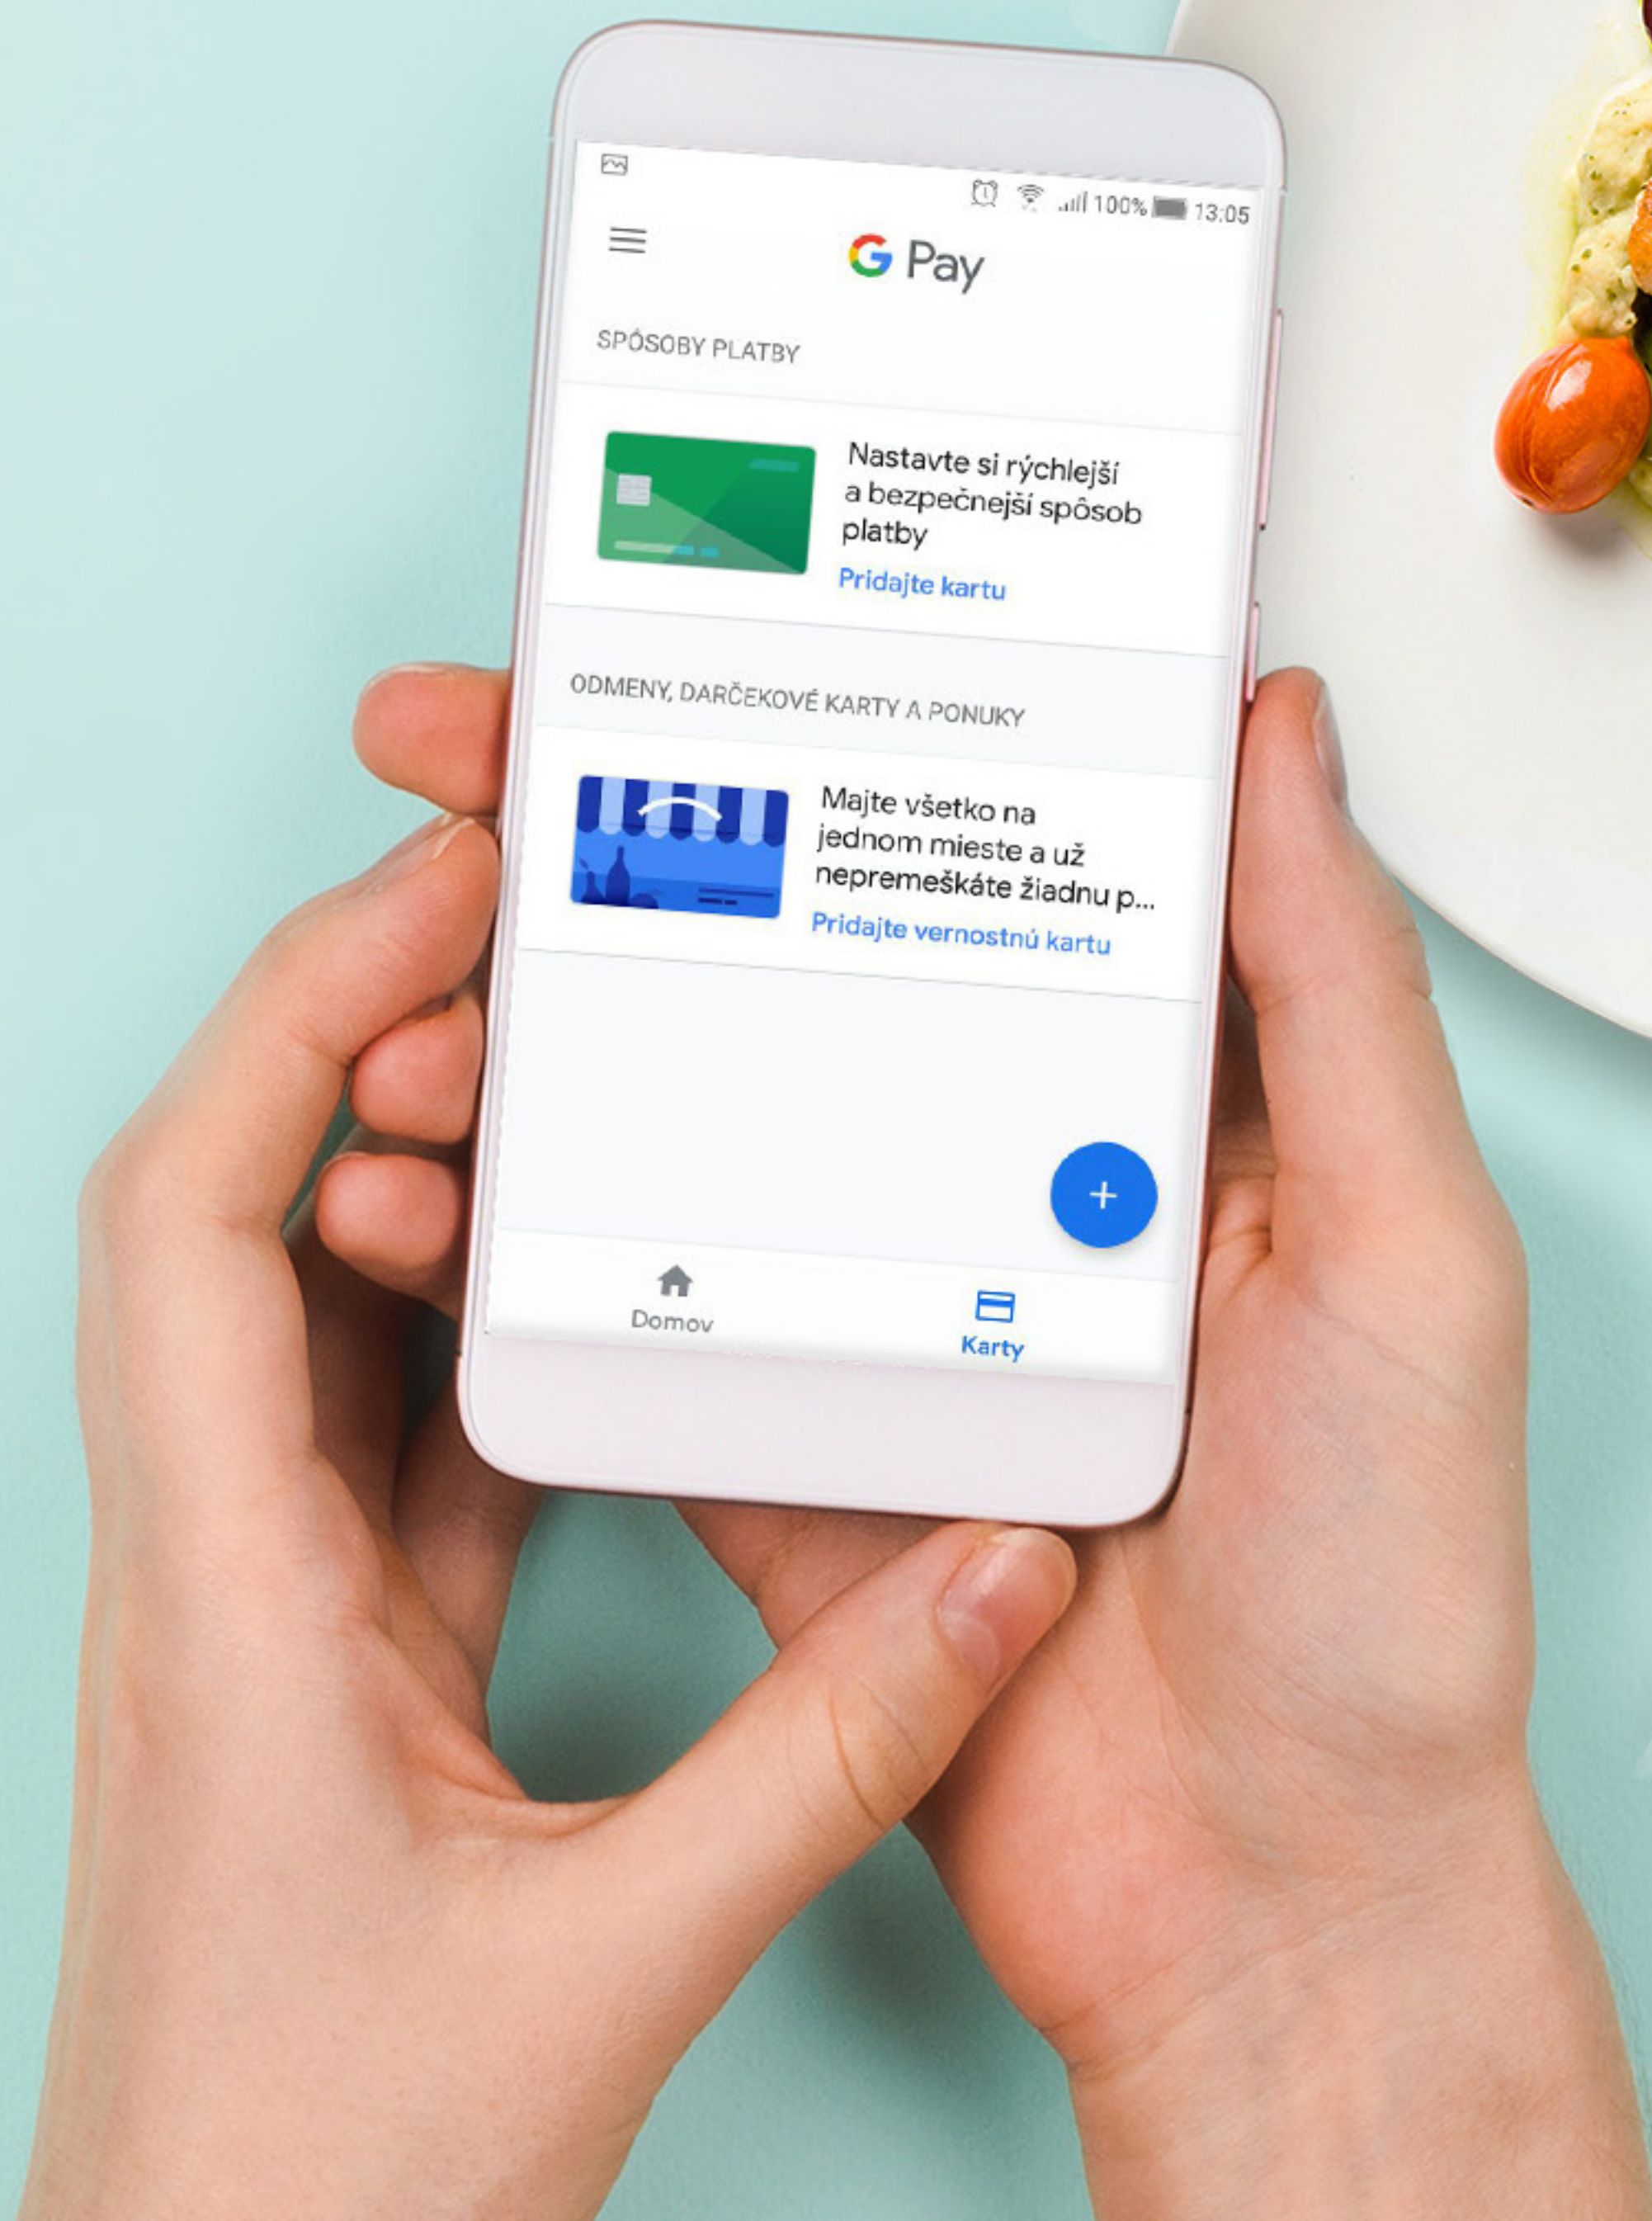

In your phone, look up the Google Play icon and download the Google Pay™ app.

The application operates with all phones using Android (Lollipop 5.0 or newer) and supporting the NFC feature.

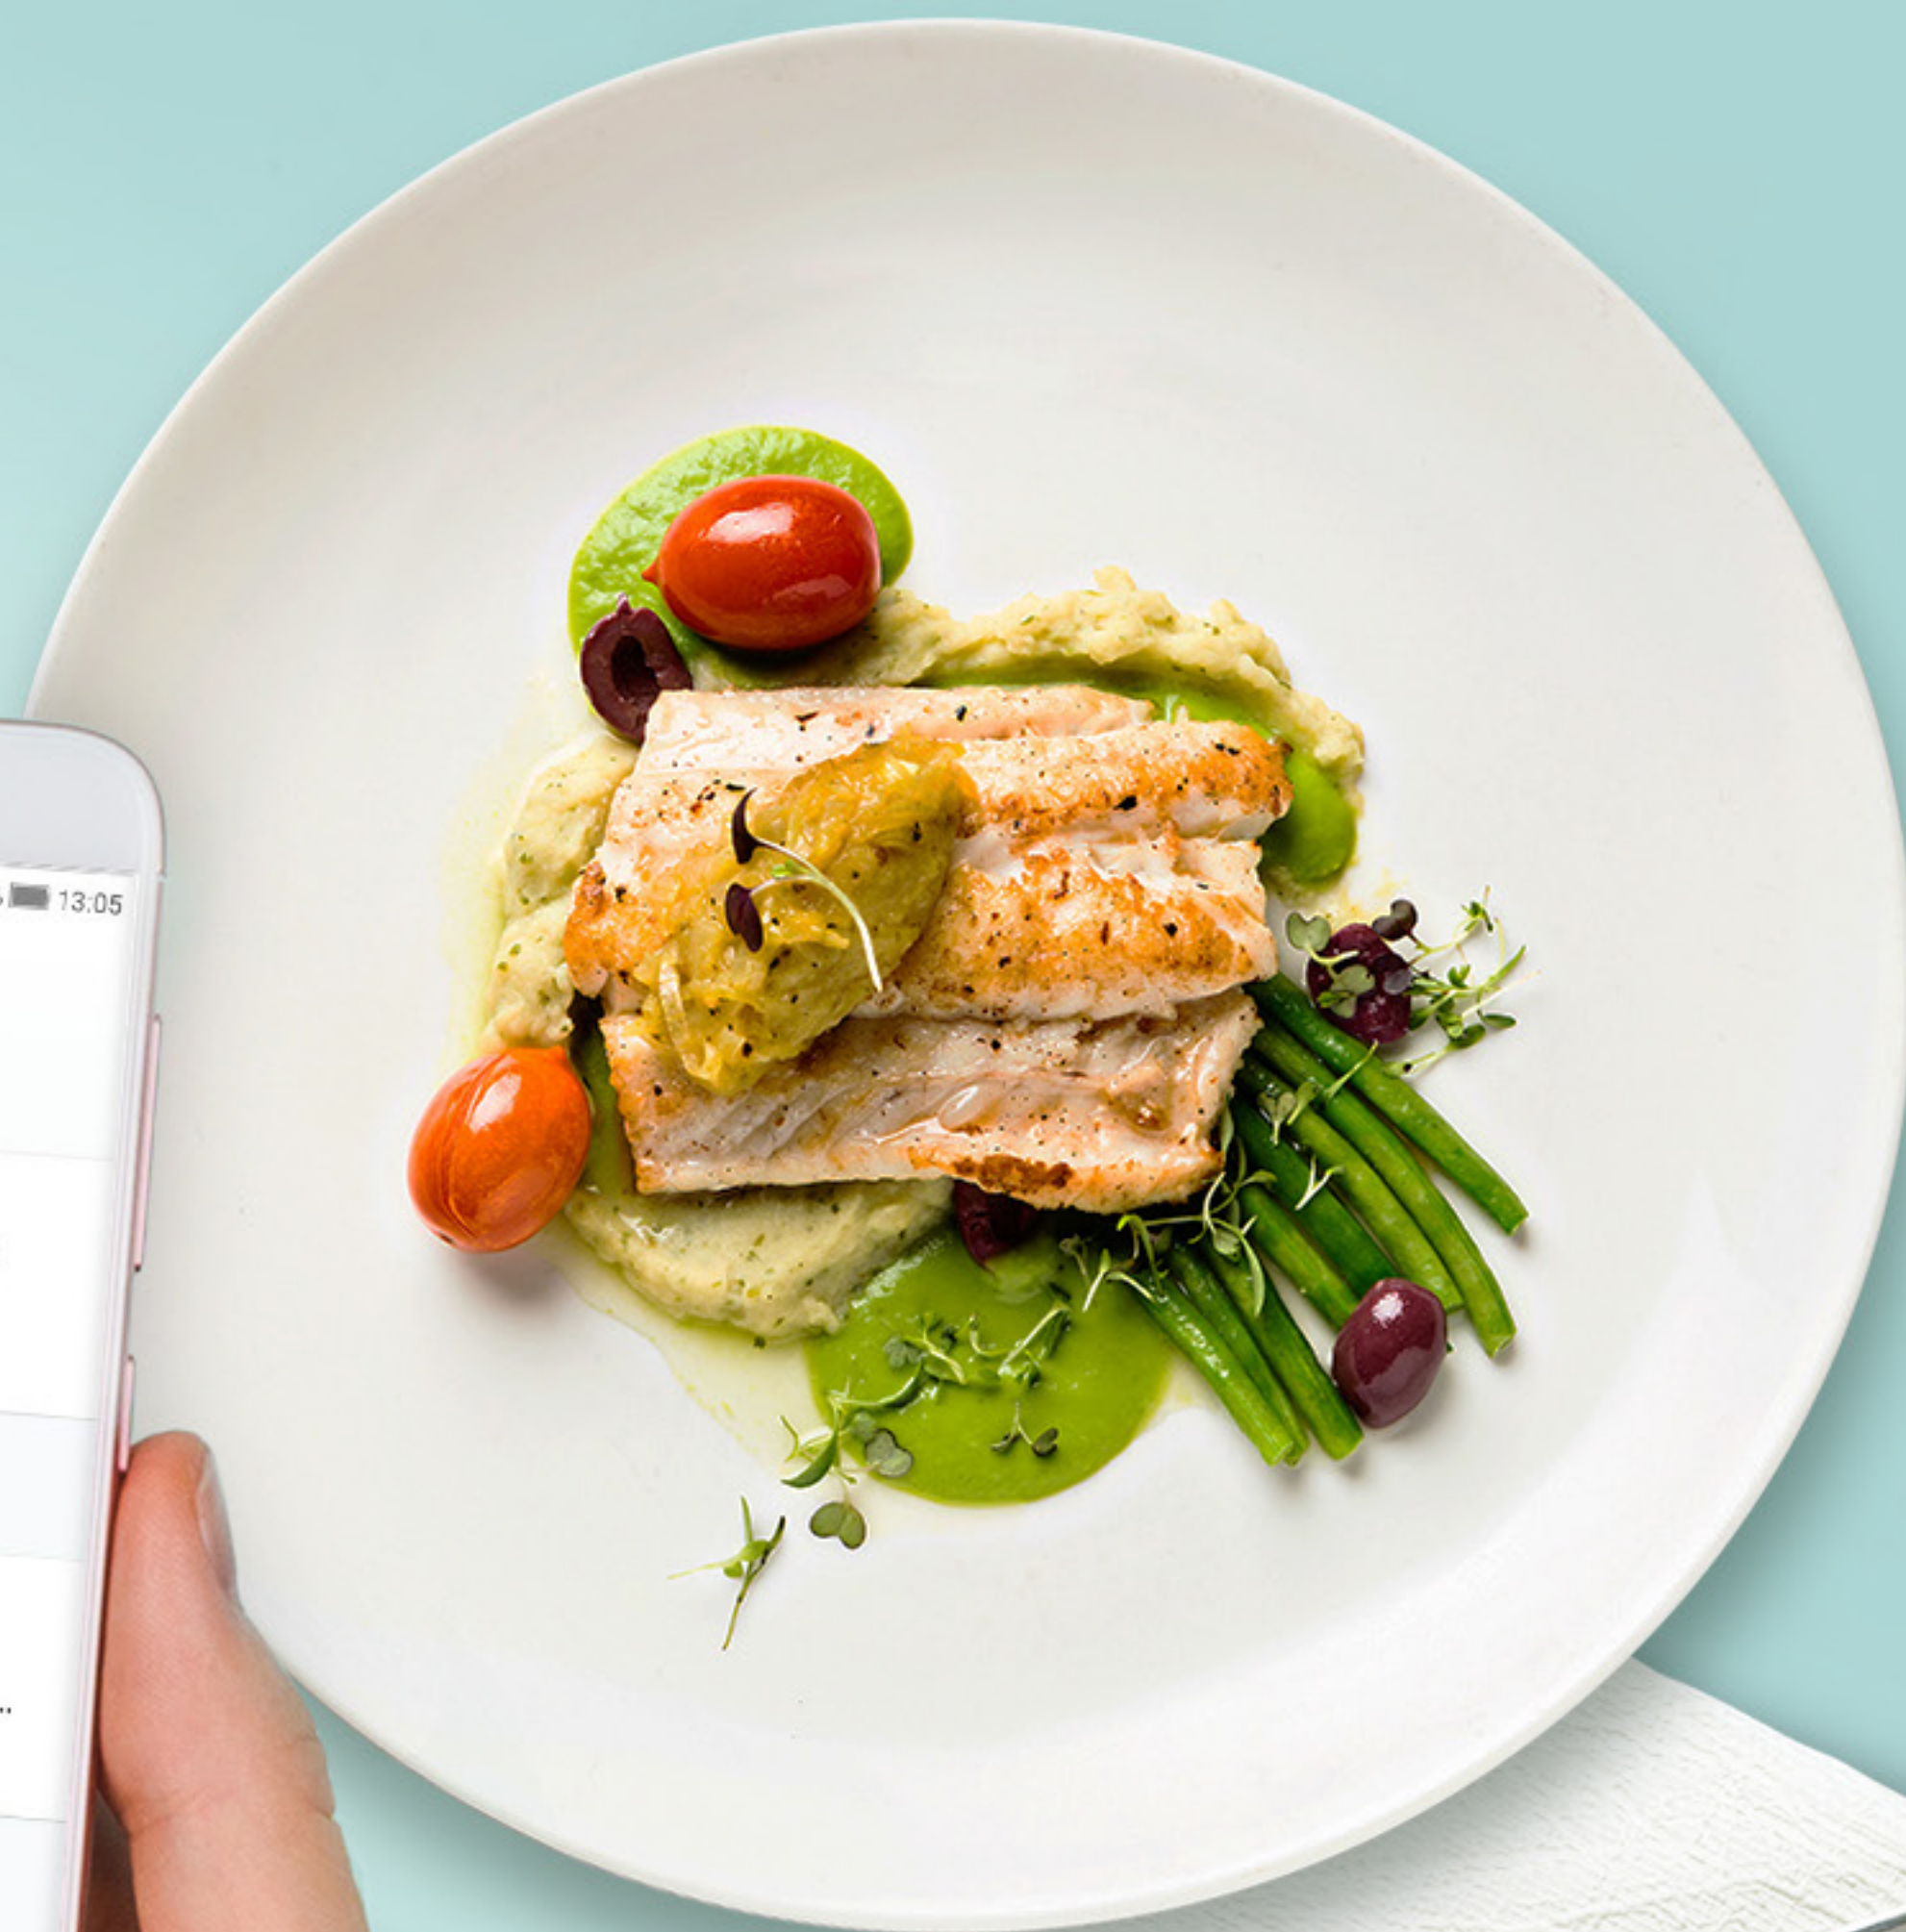

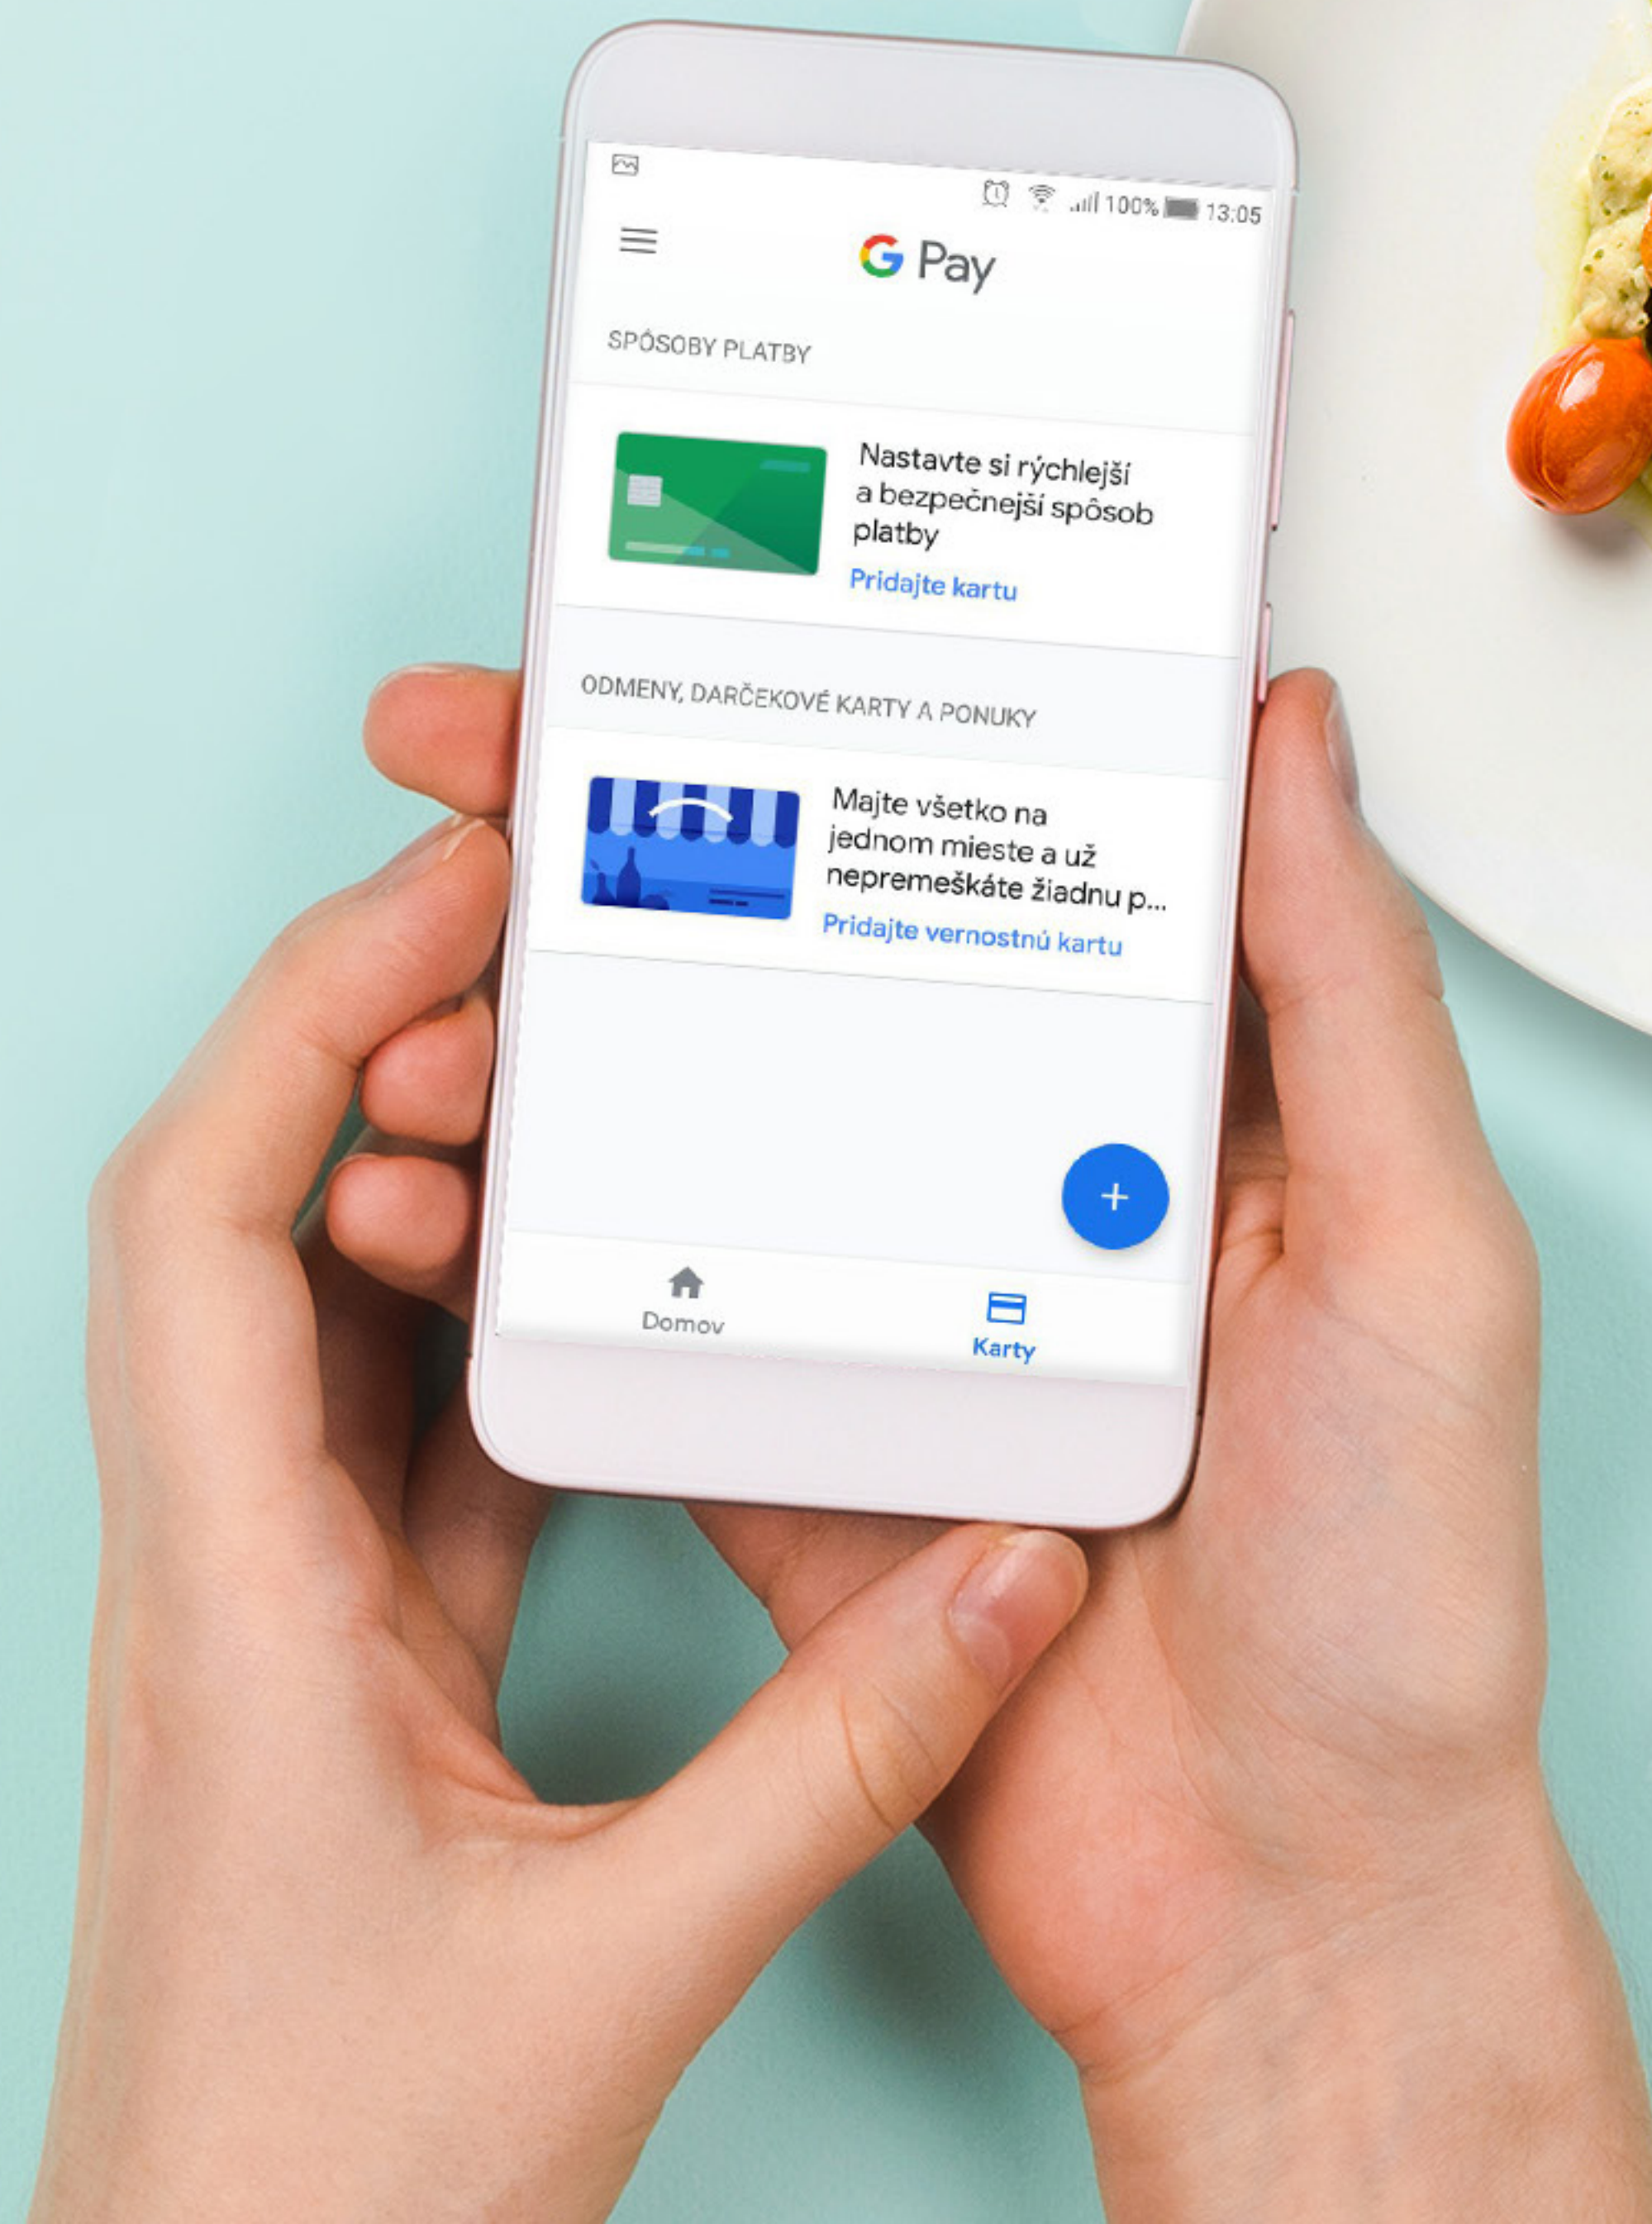

3

In Google Pay™, click
"Add card". *Pridať
kartu*.

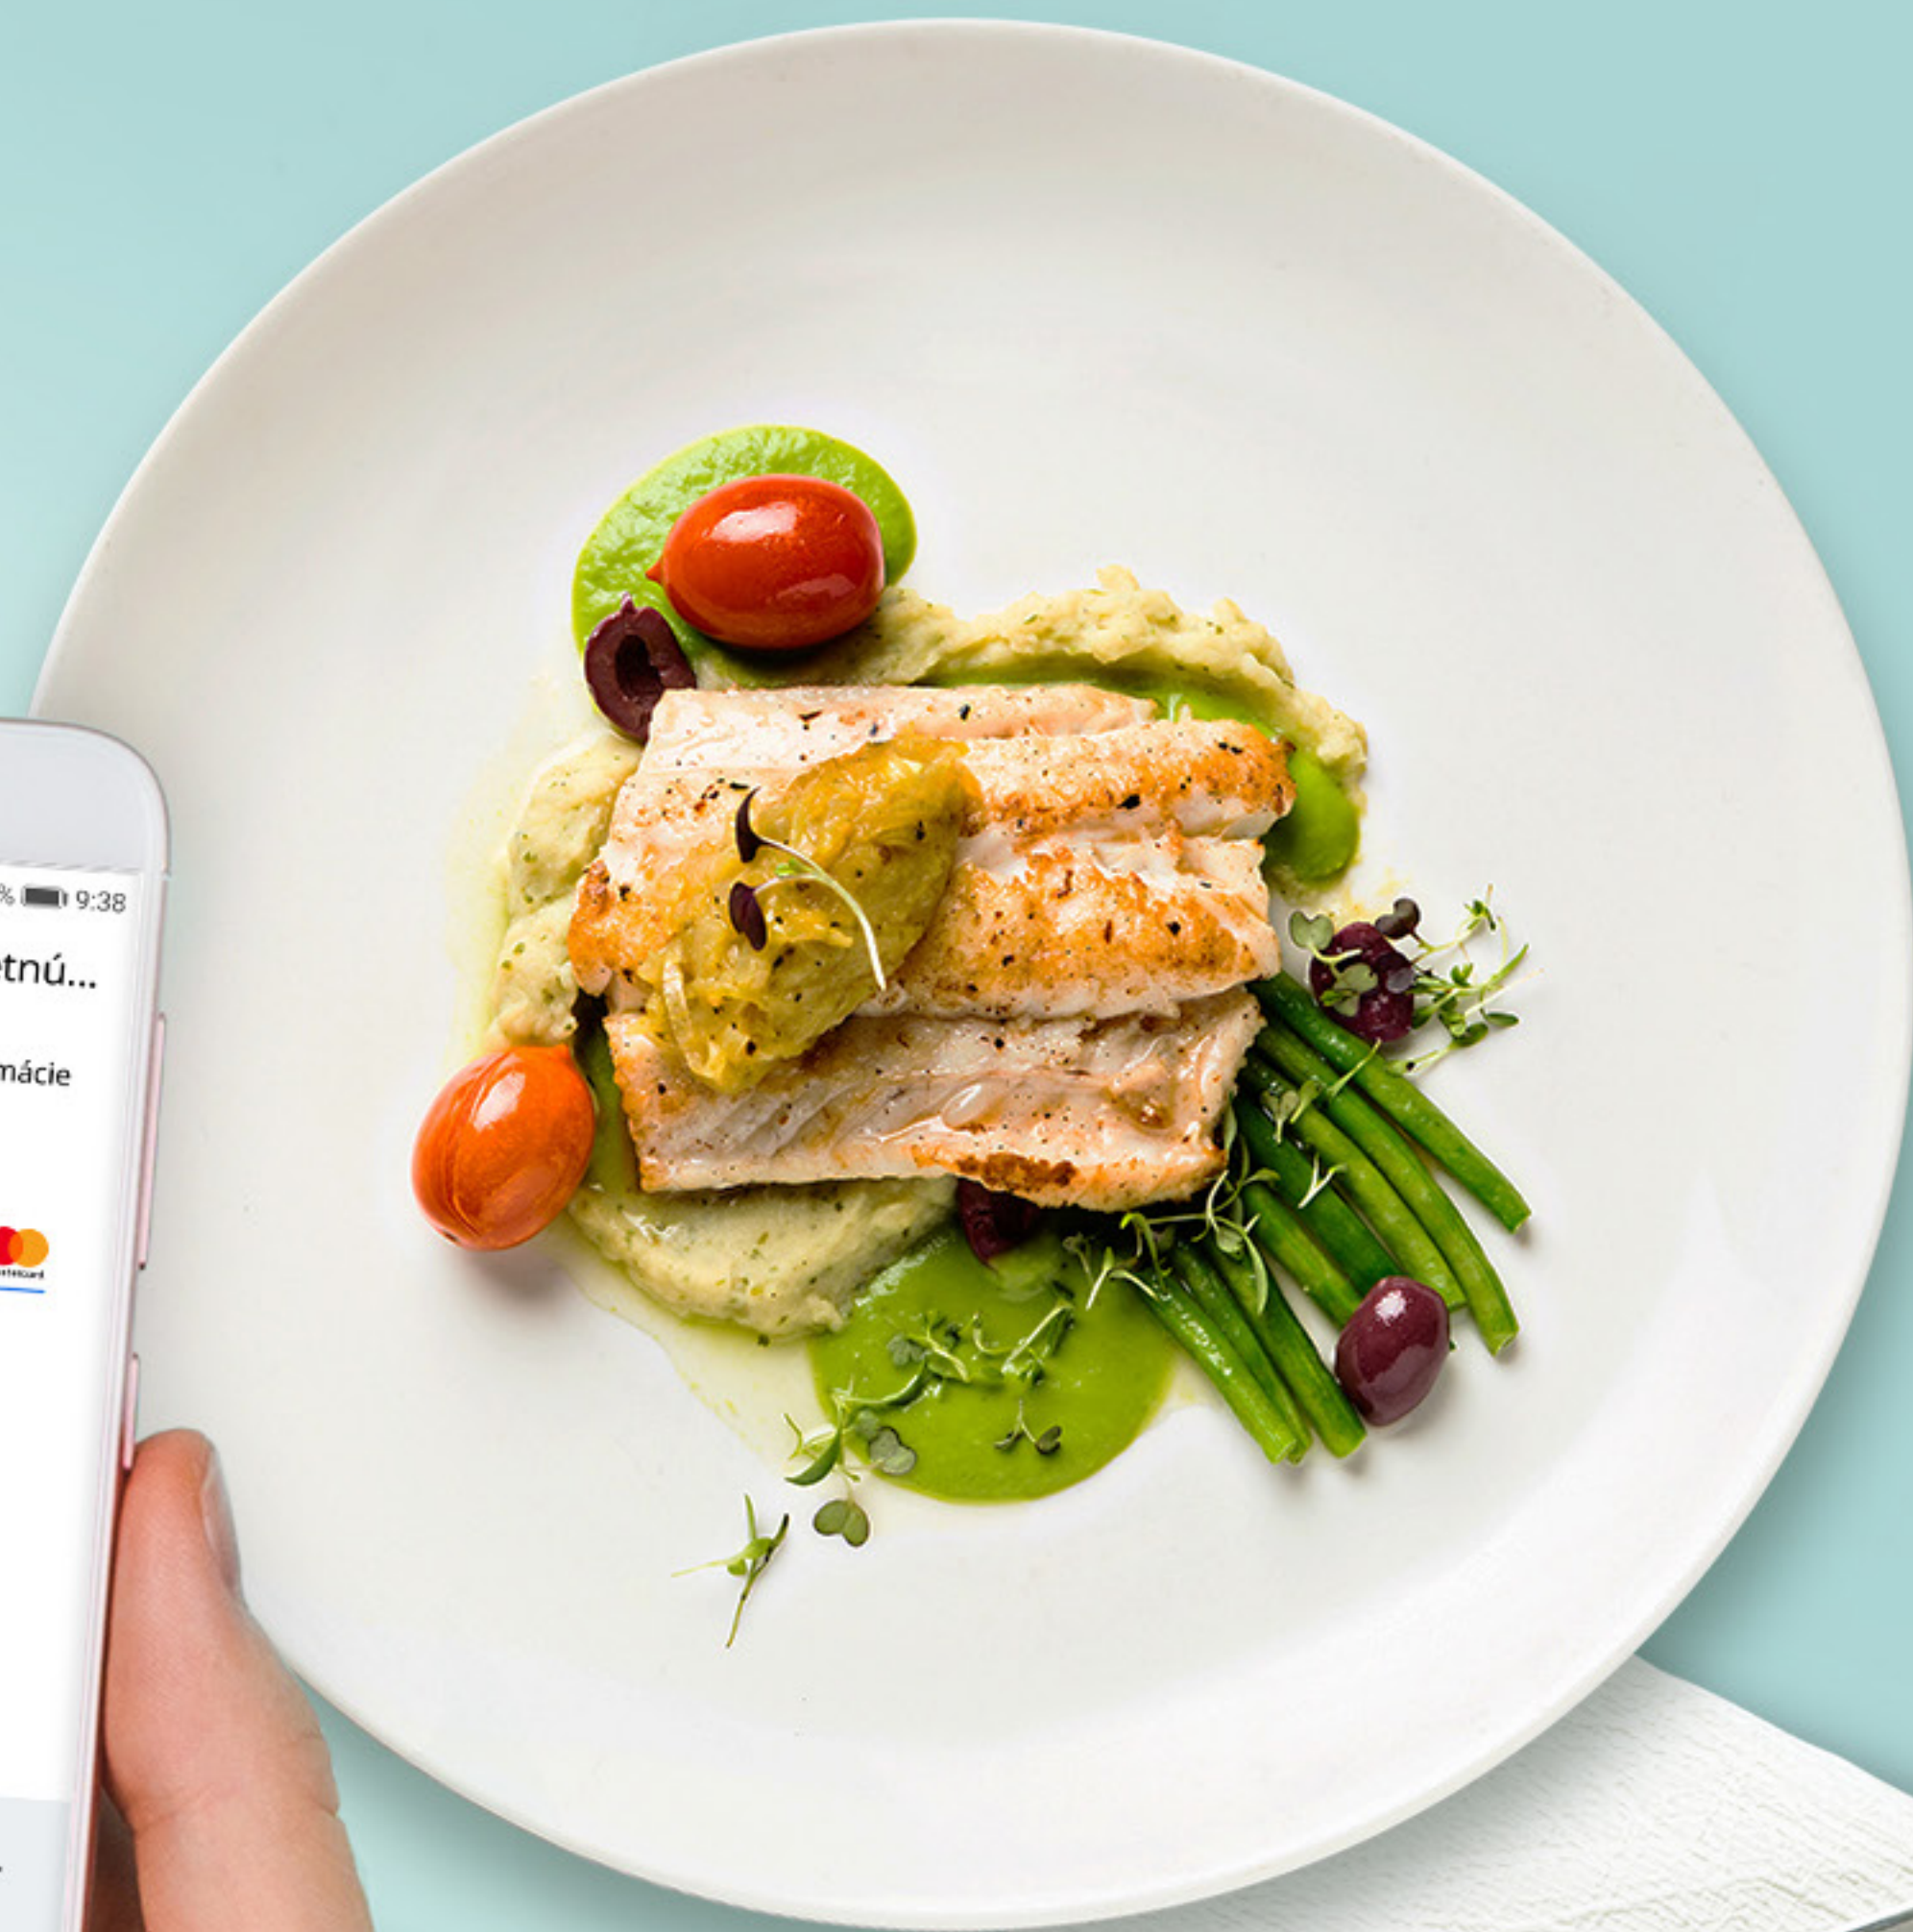

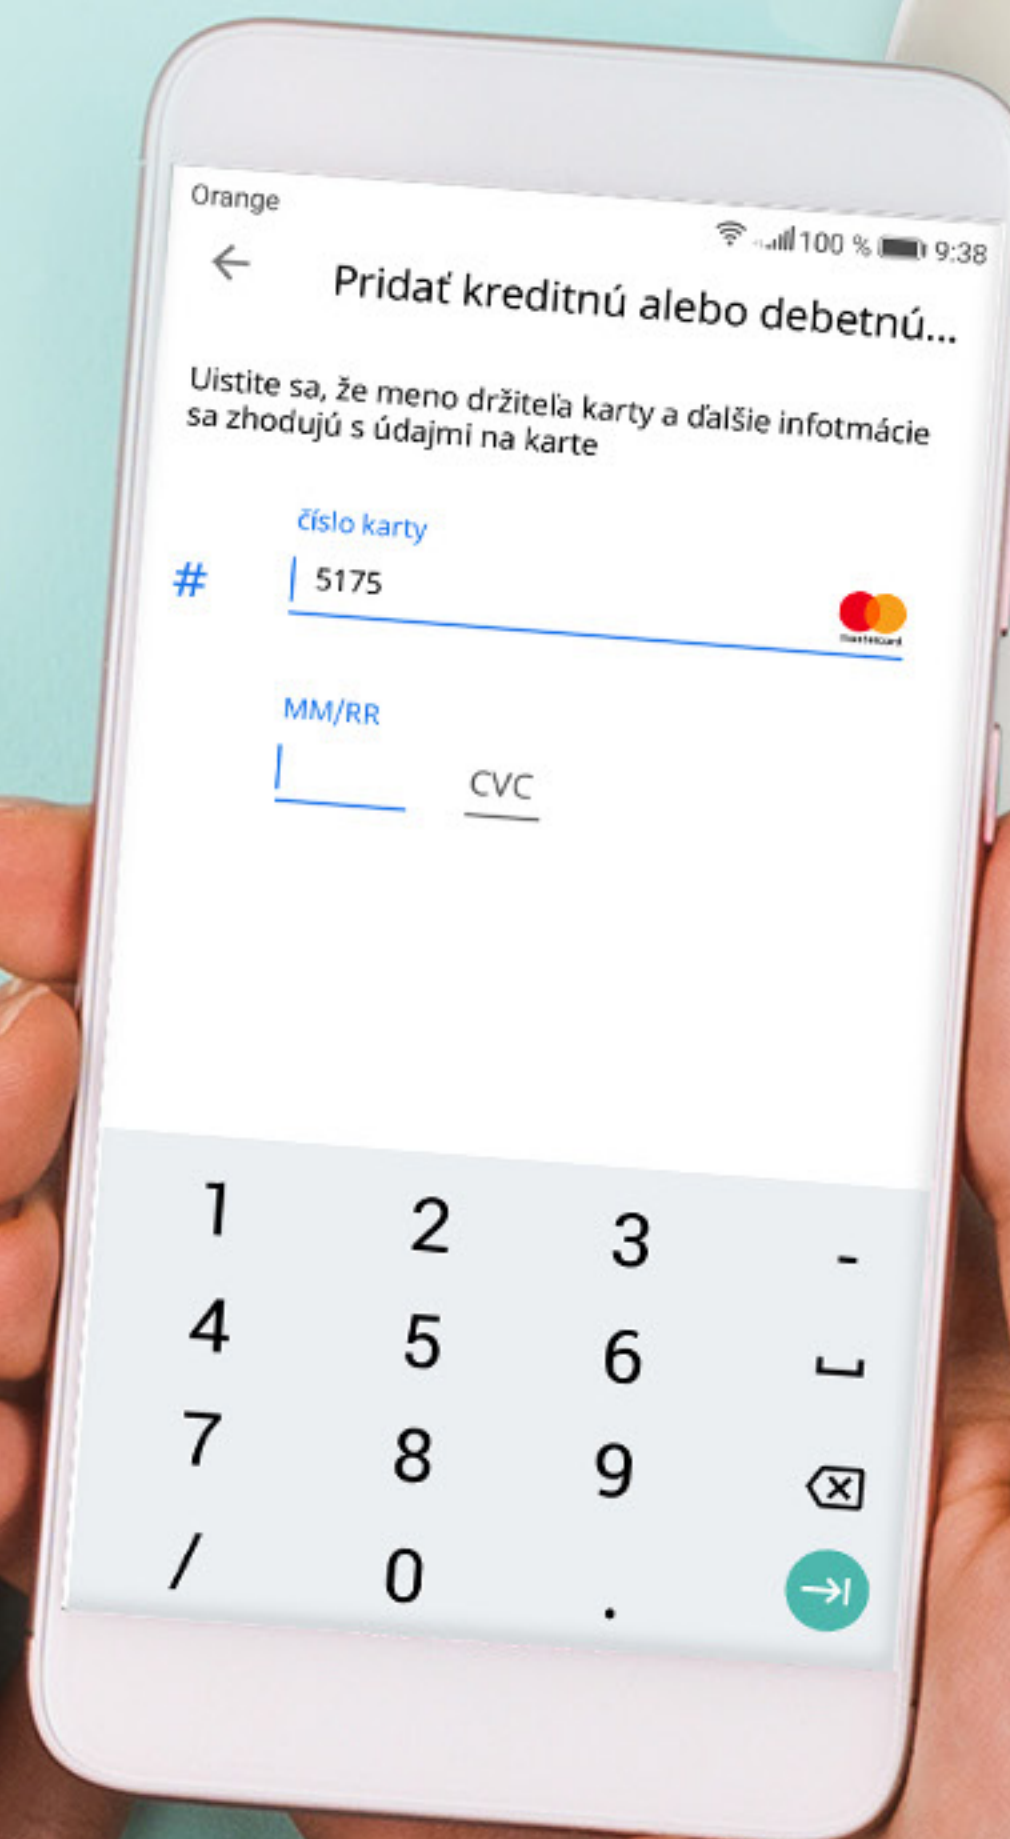

4

Add your card manually.
Do not scan it.

5

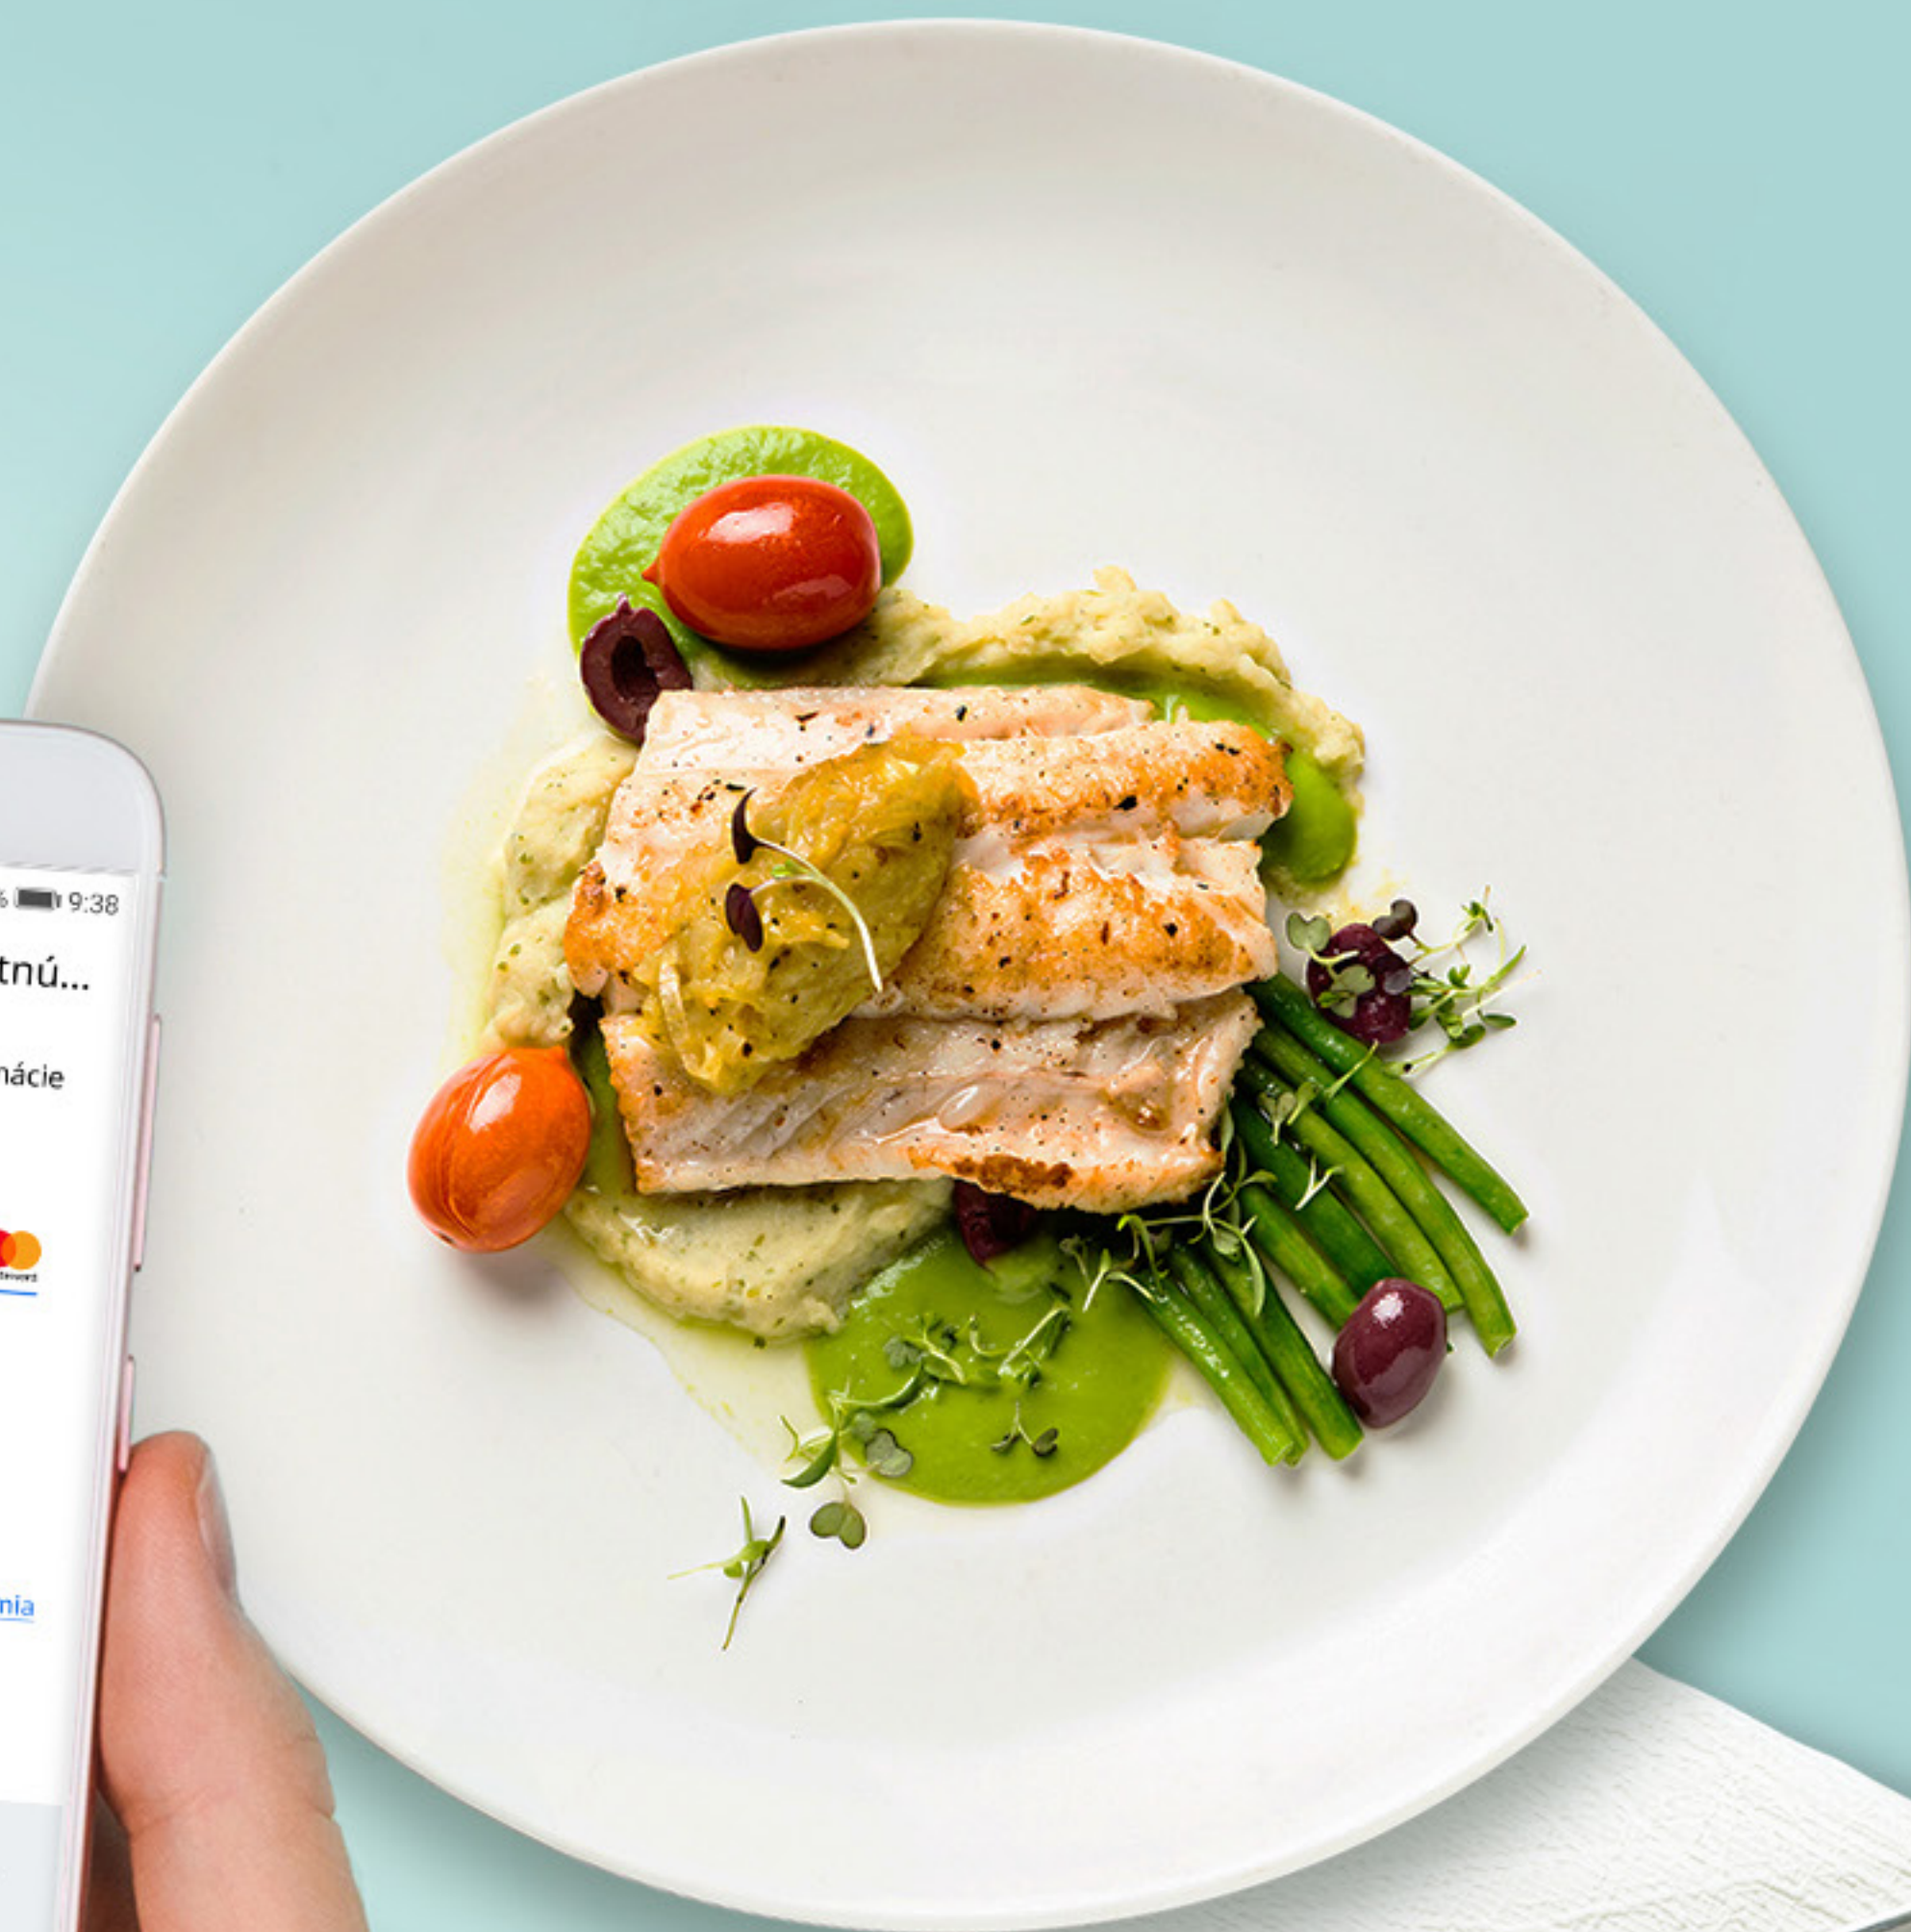

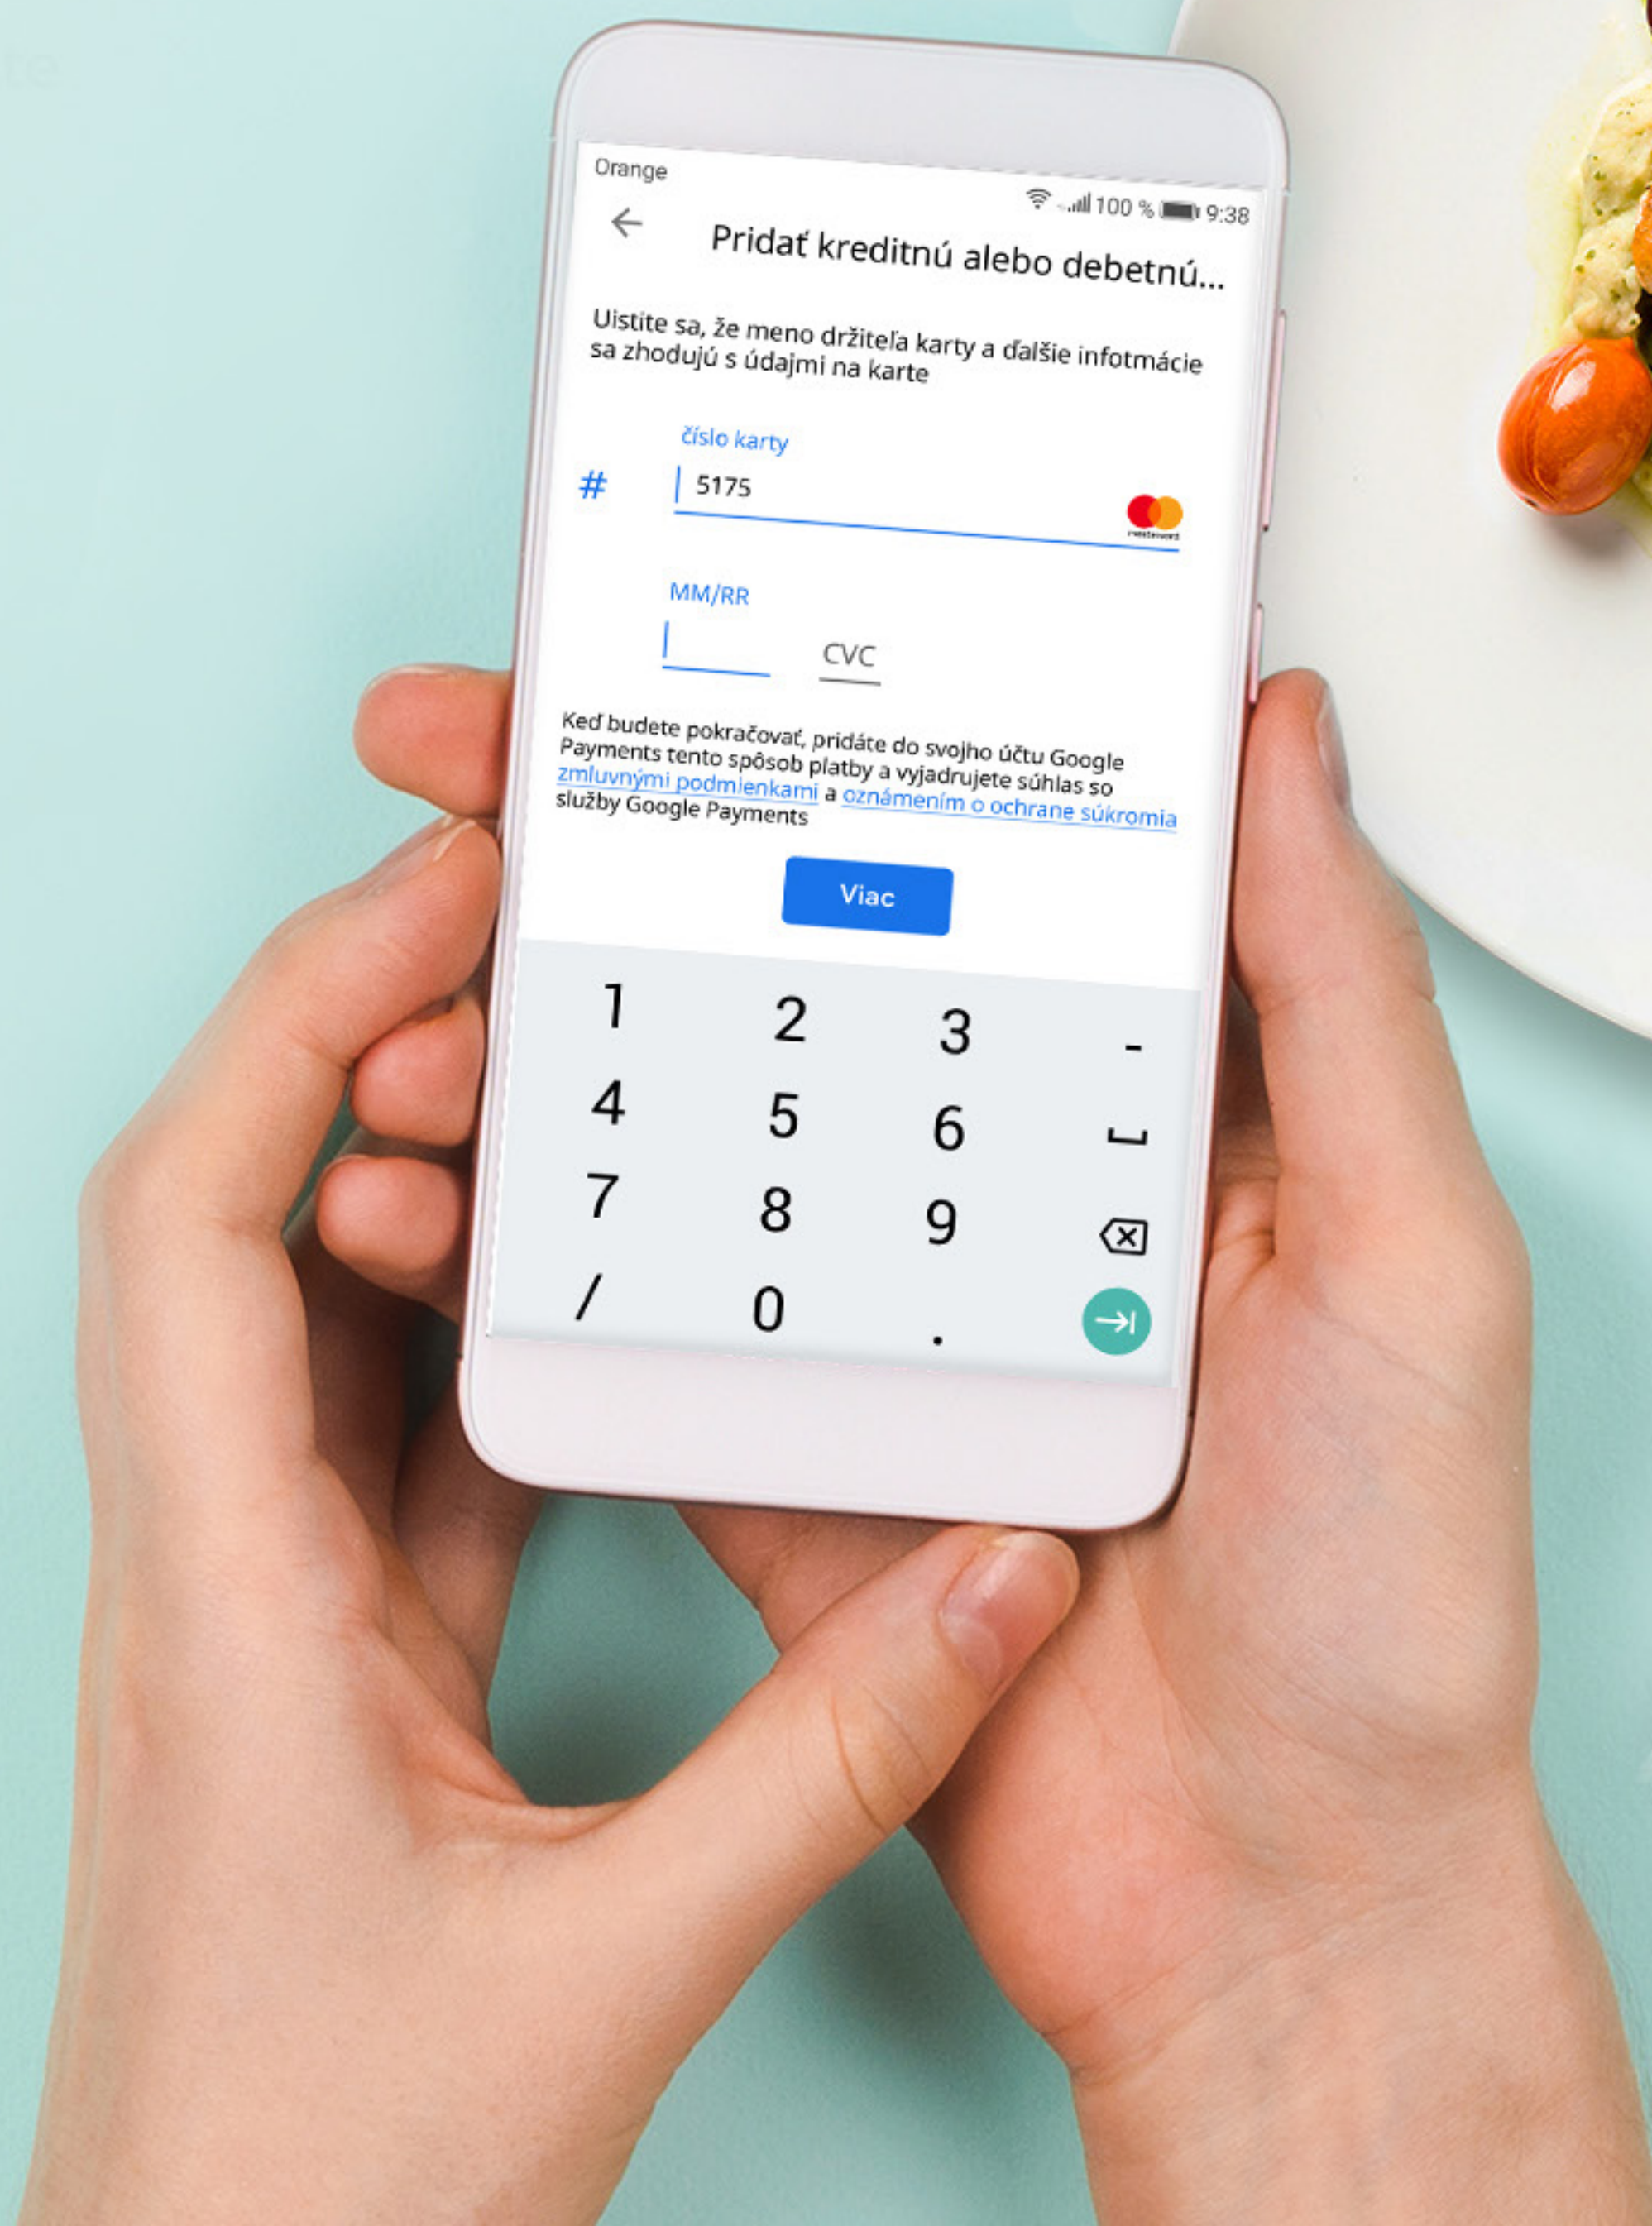

Enter the card information and all the information required by the Google Pay™ app.

6

Accept the Google Pay™ terms of use and click “Save”.

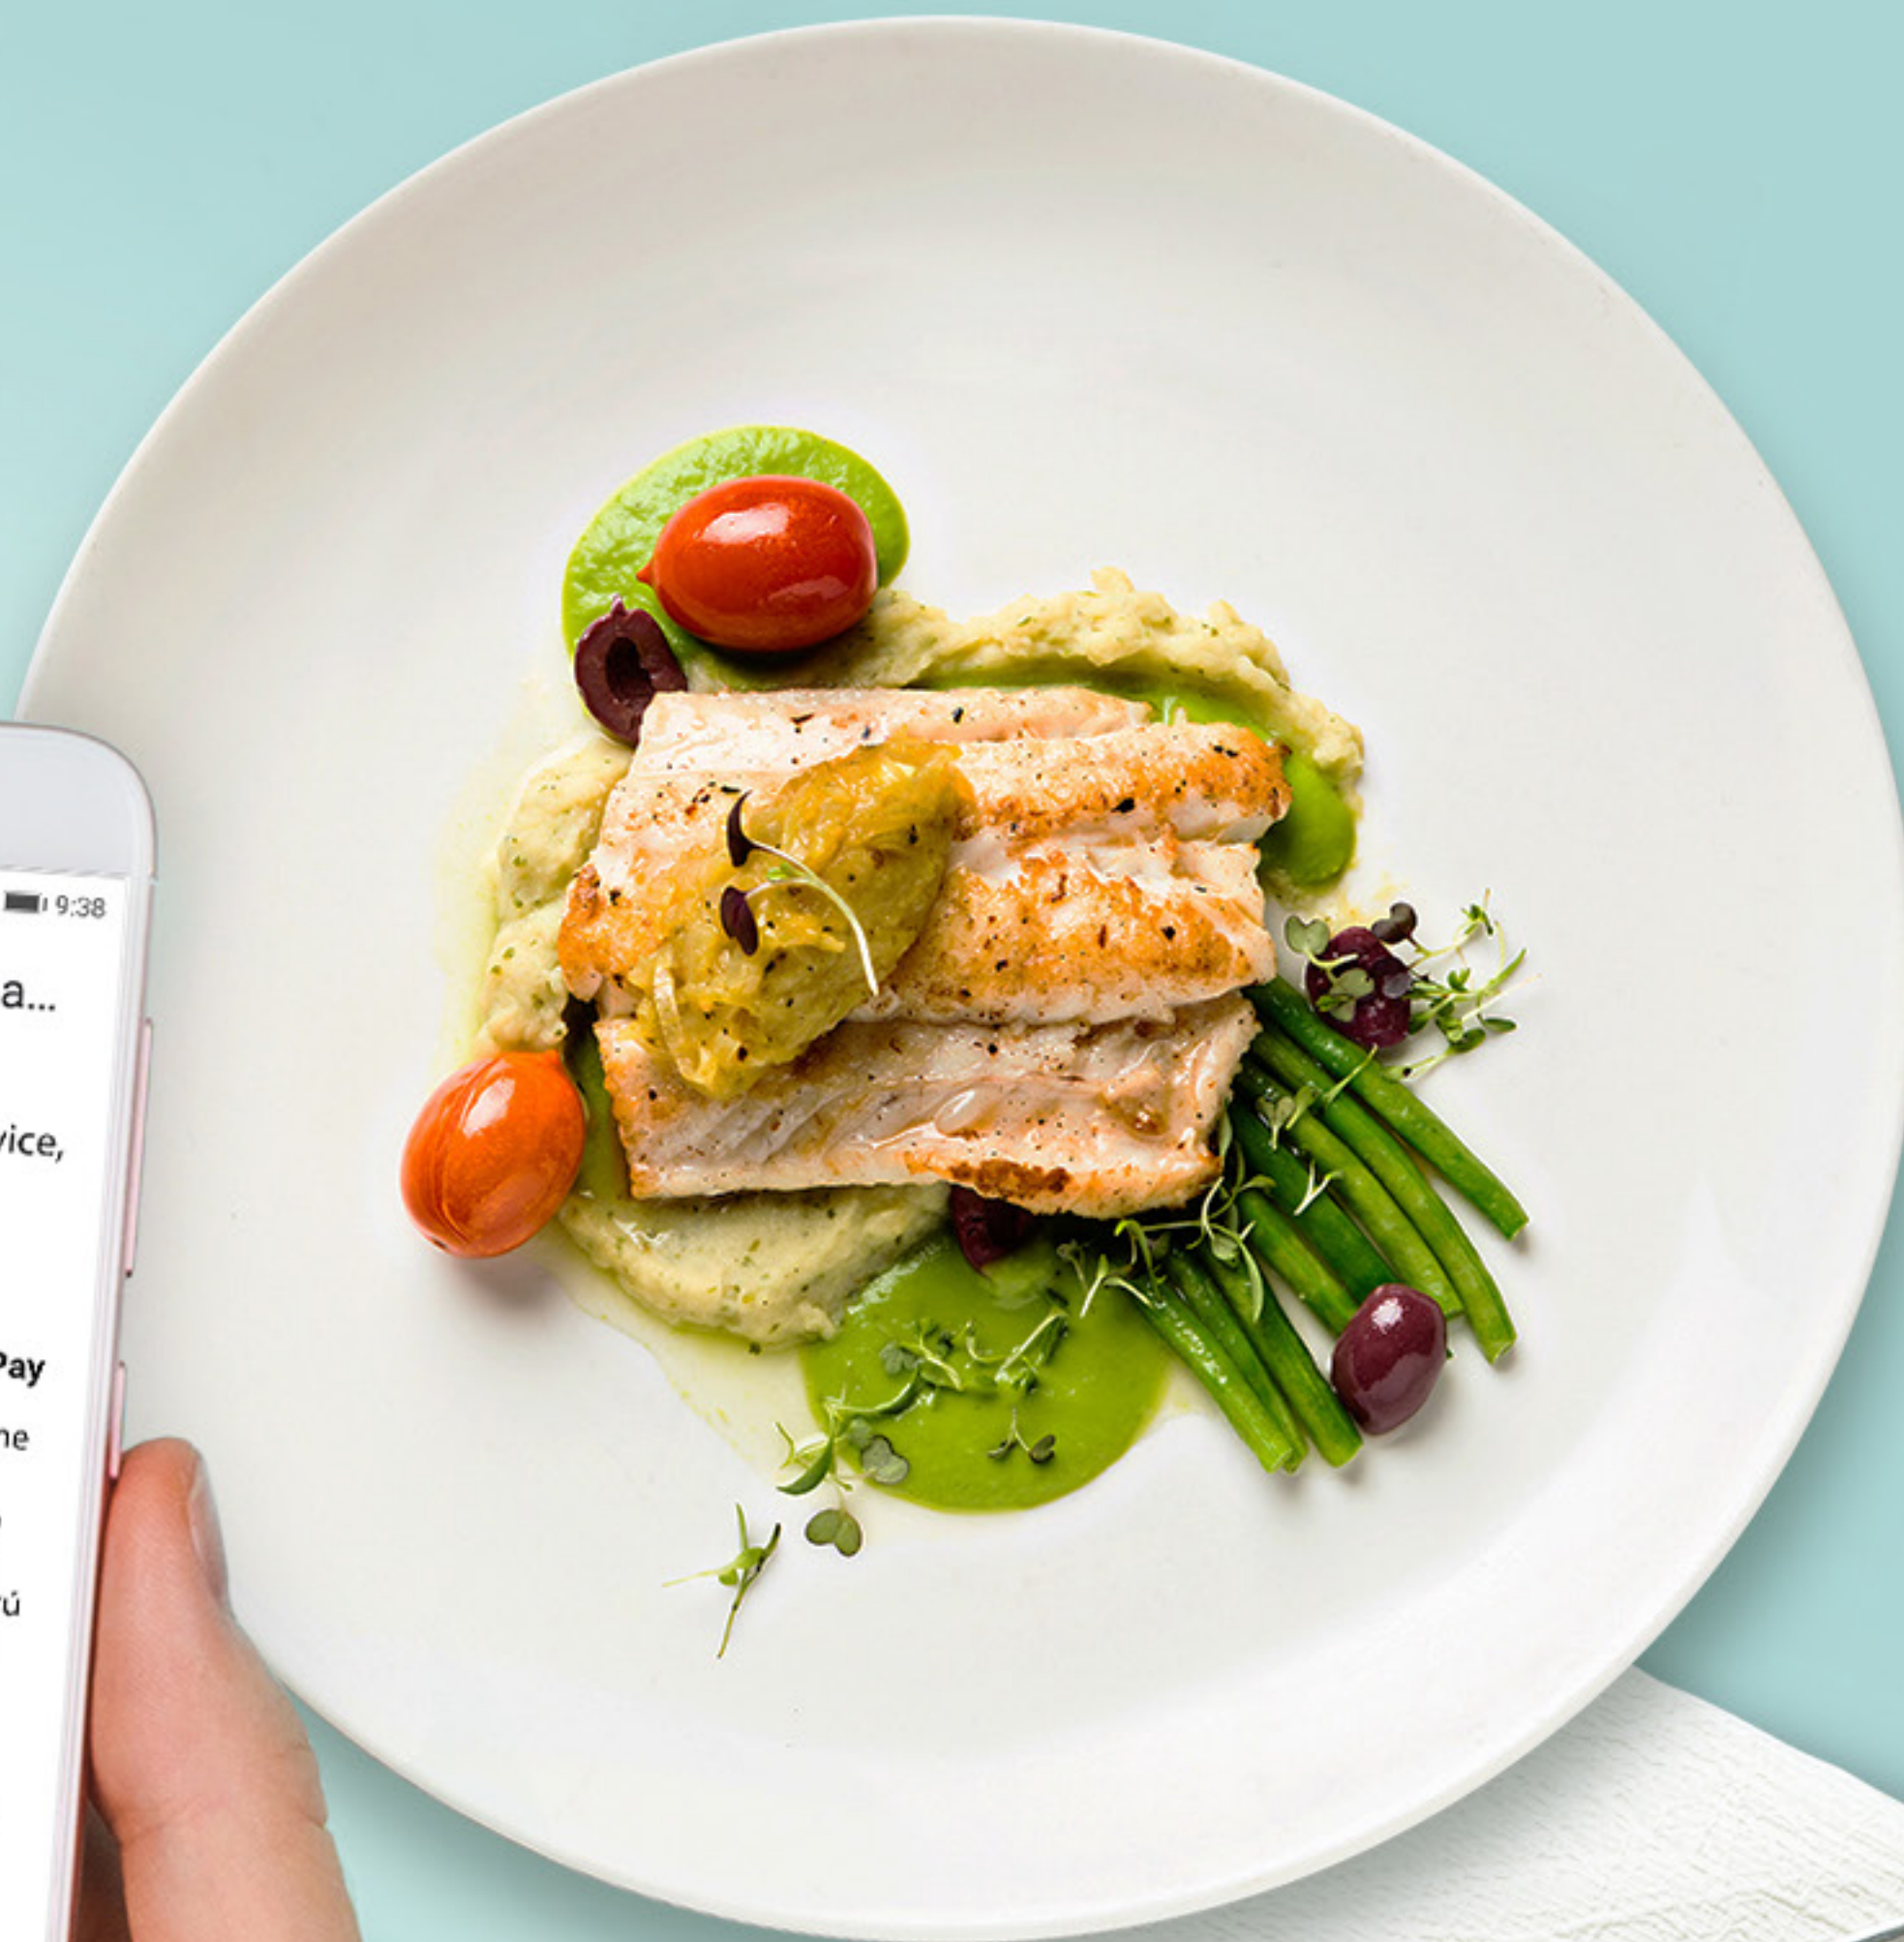

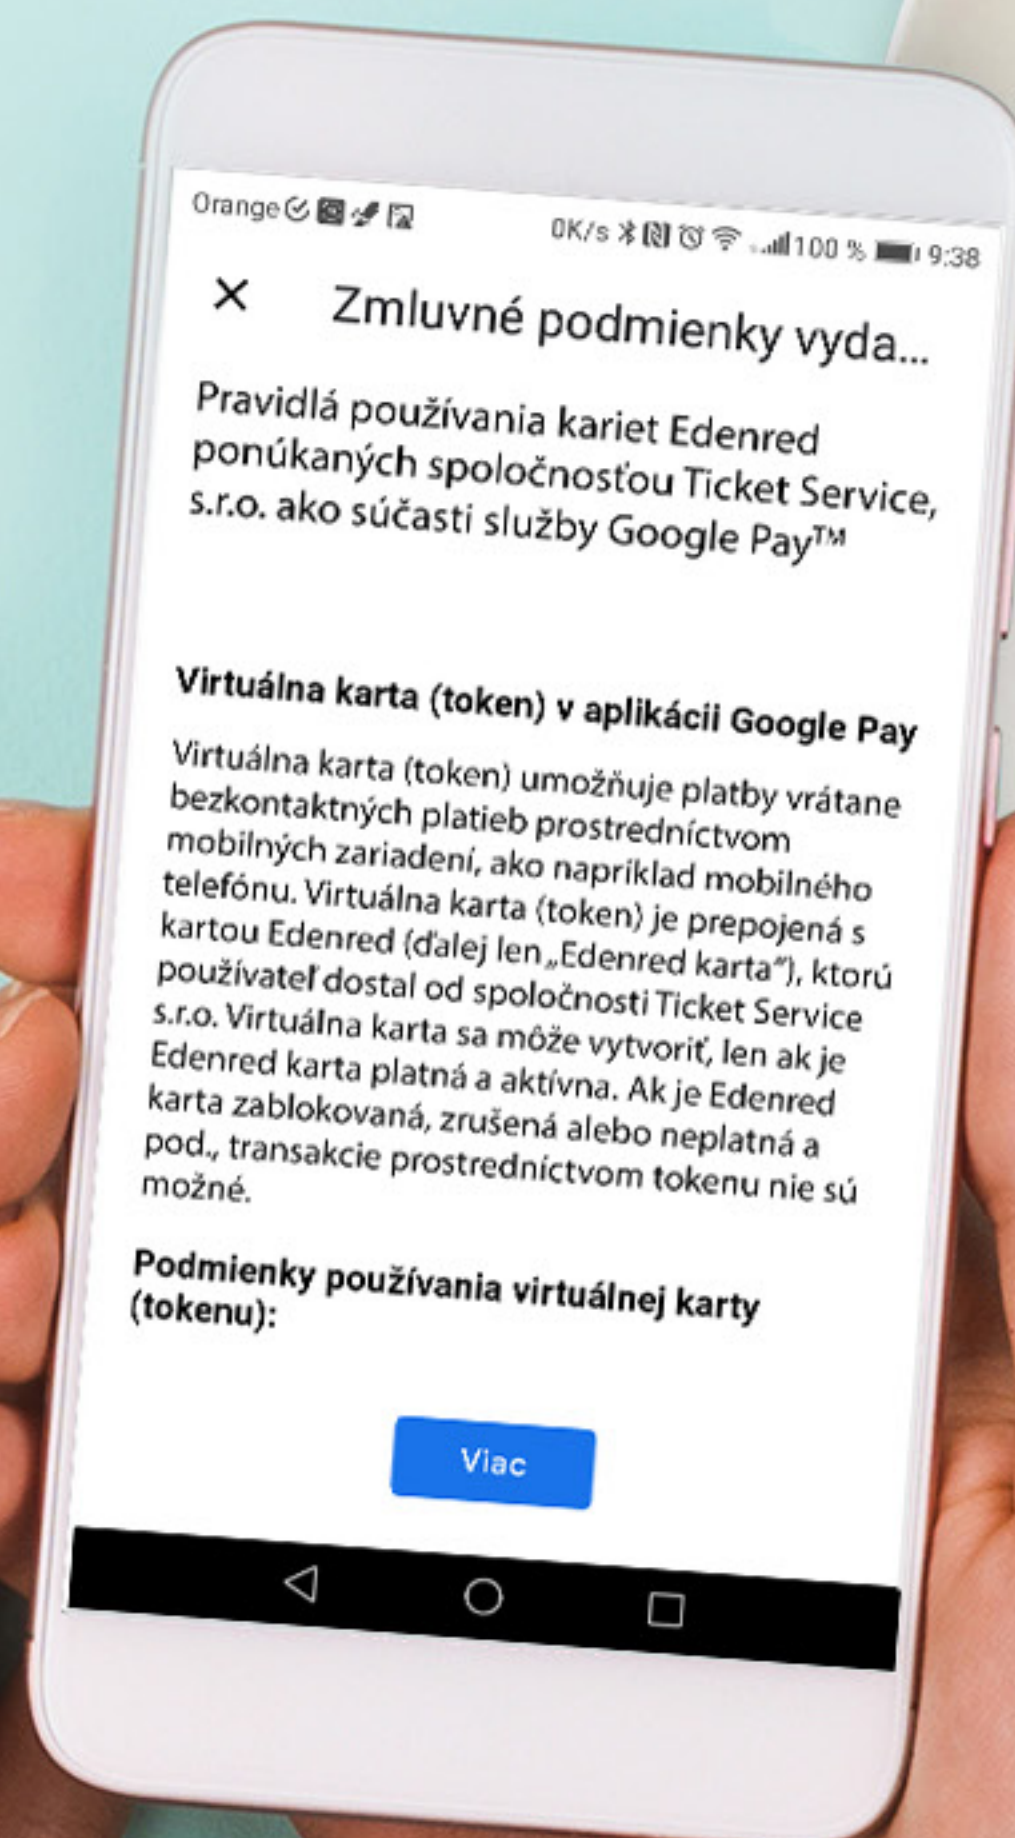

zby Google Pay™ a kliknite na „Uložil”.

7

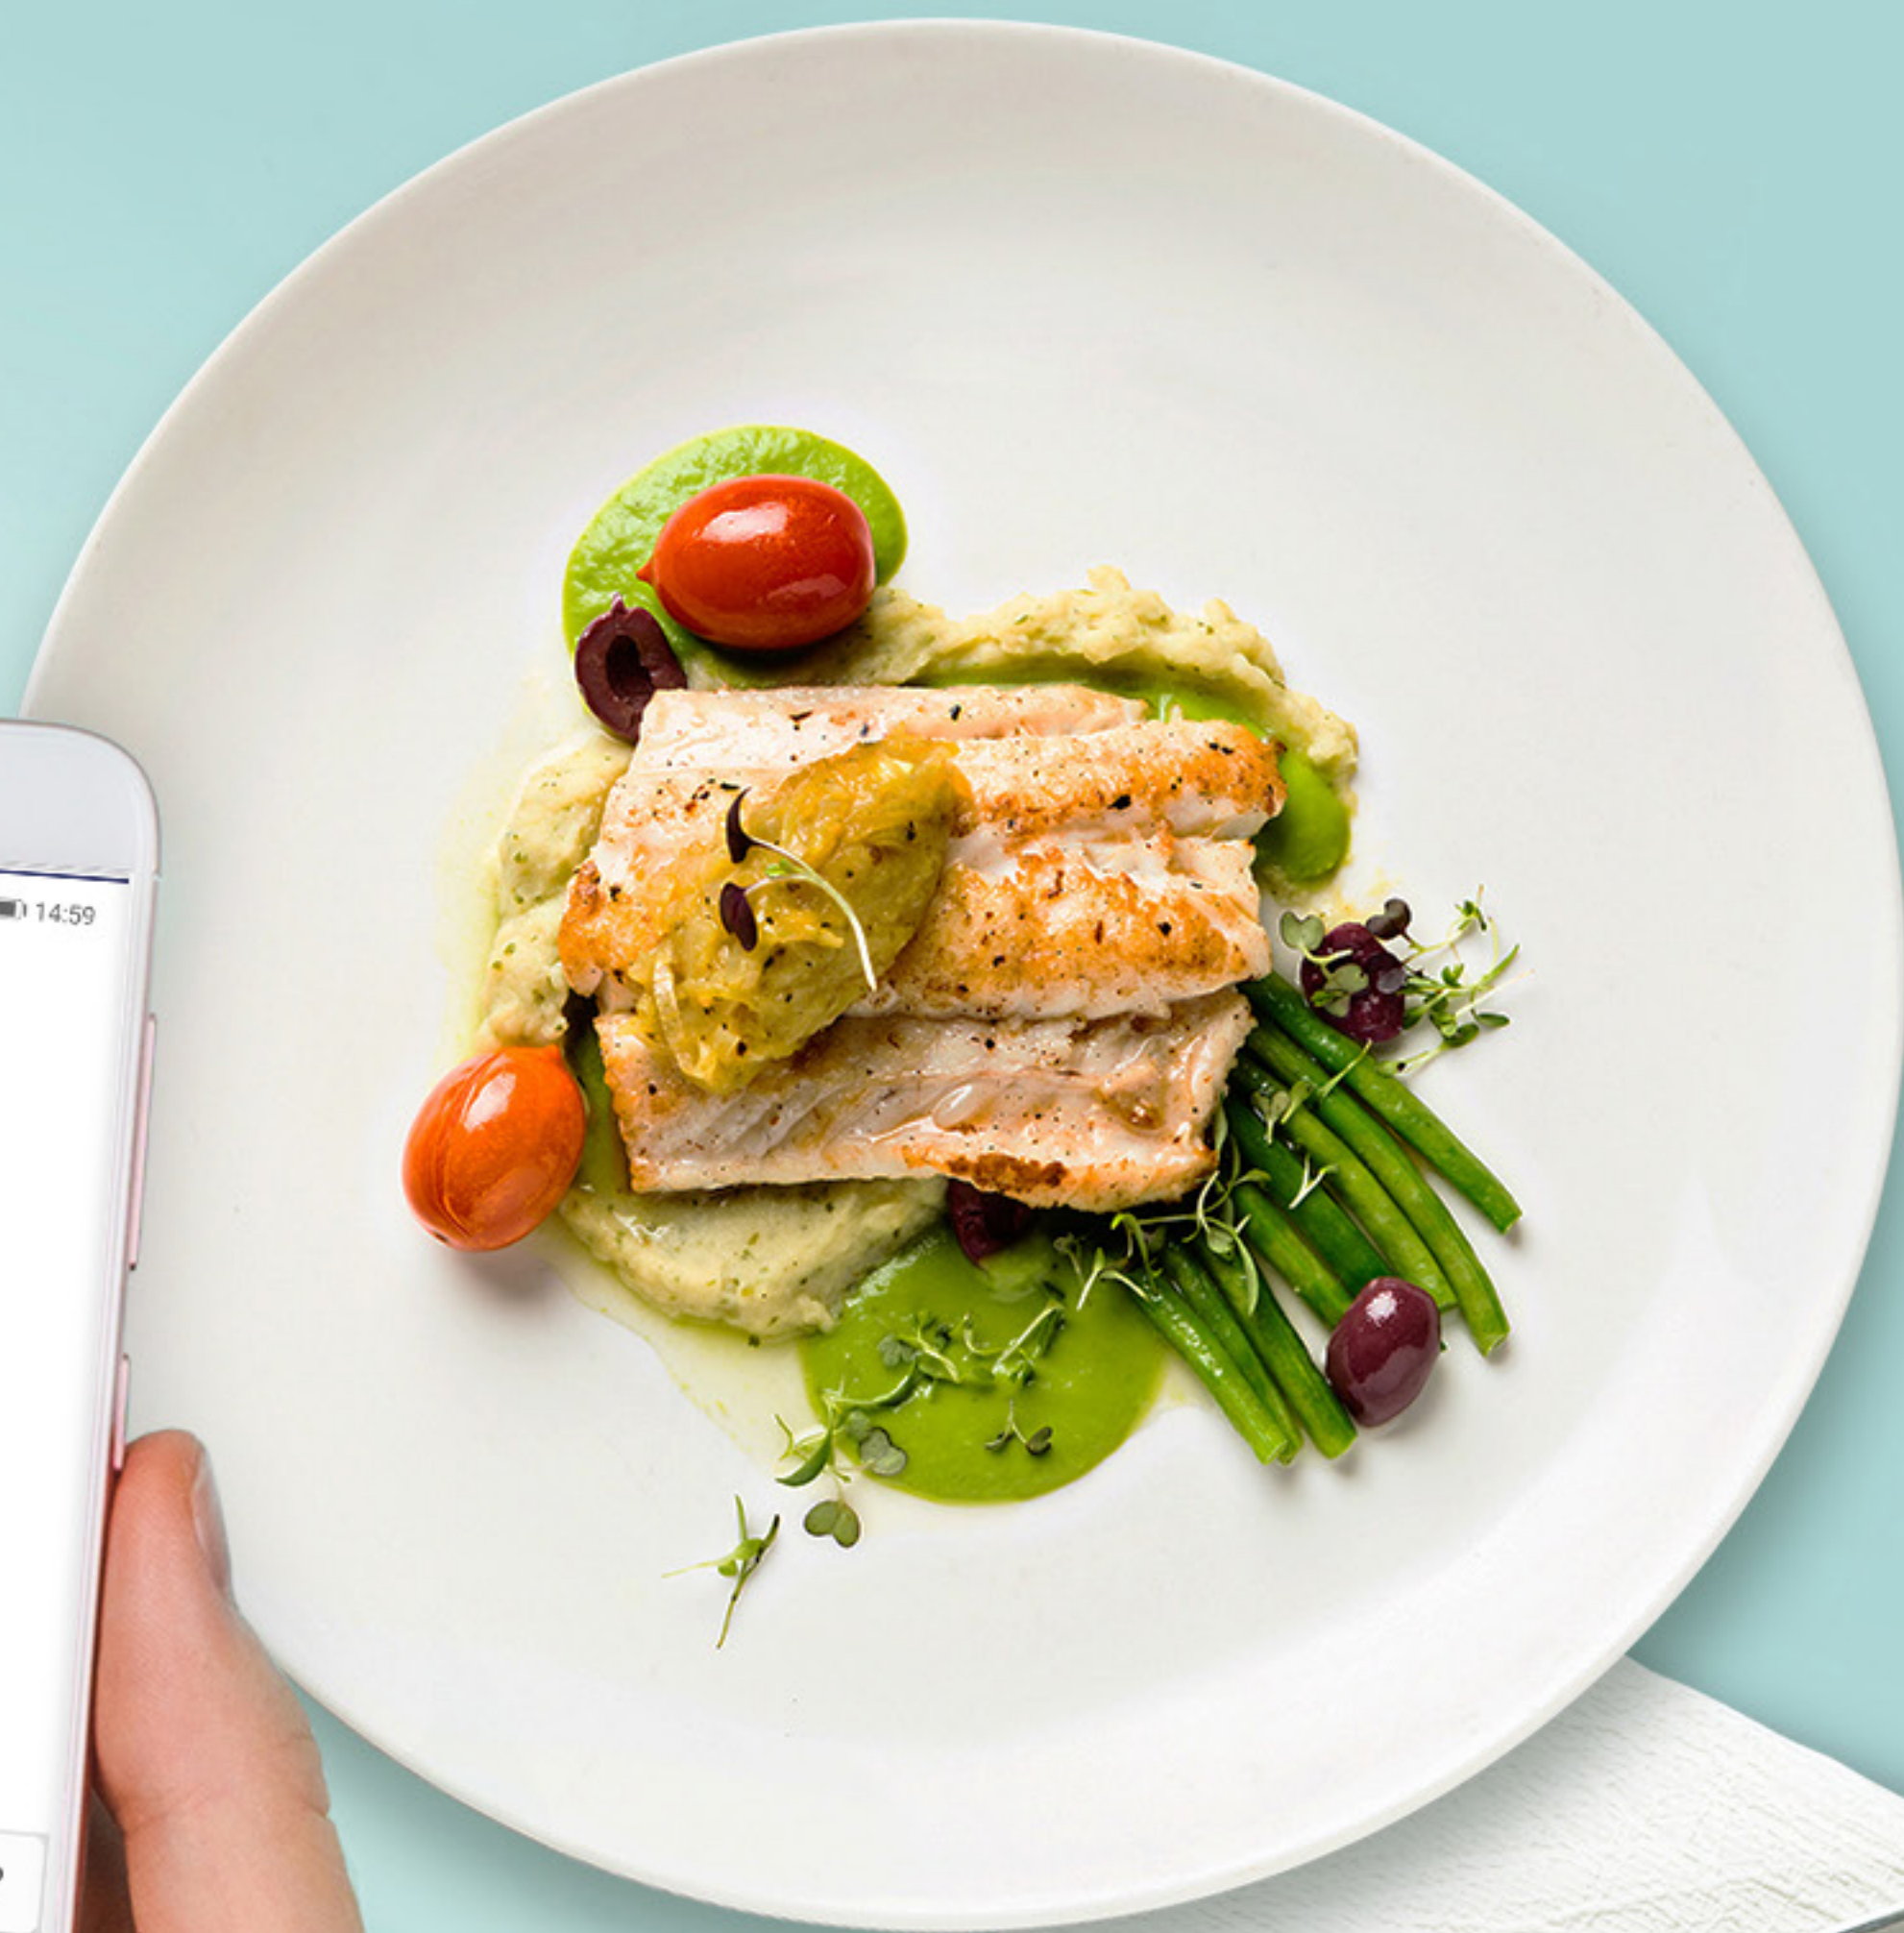

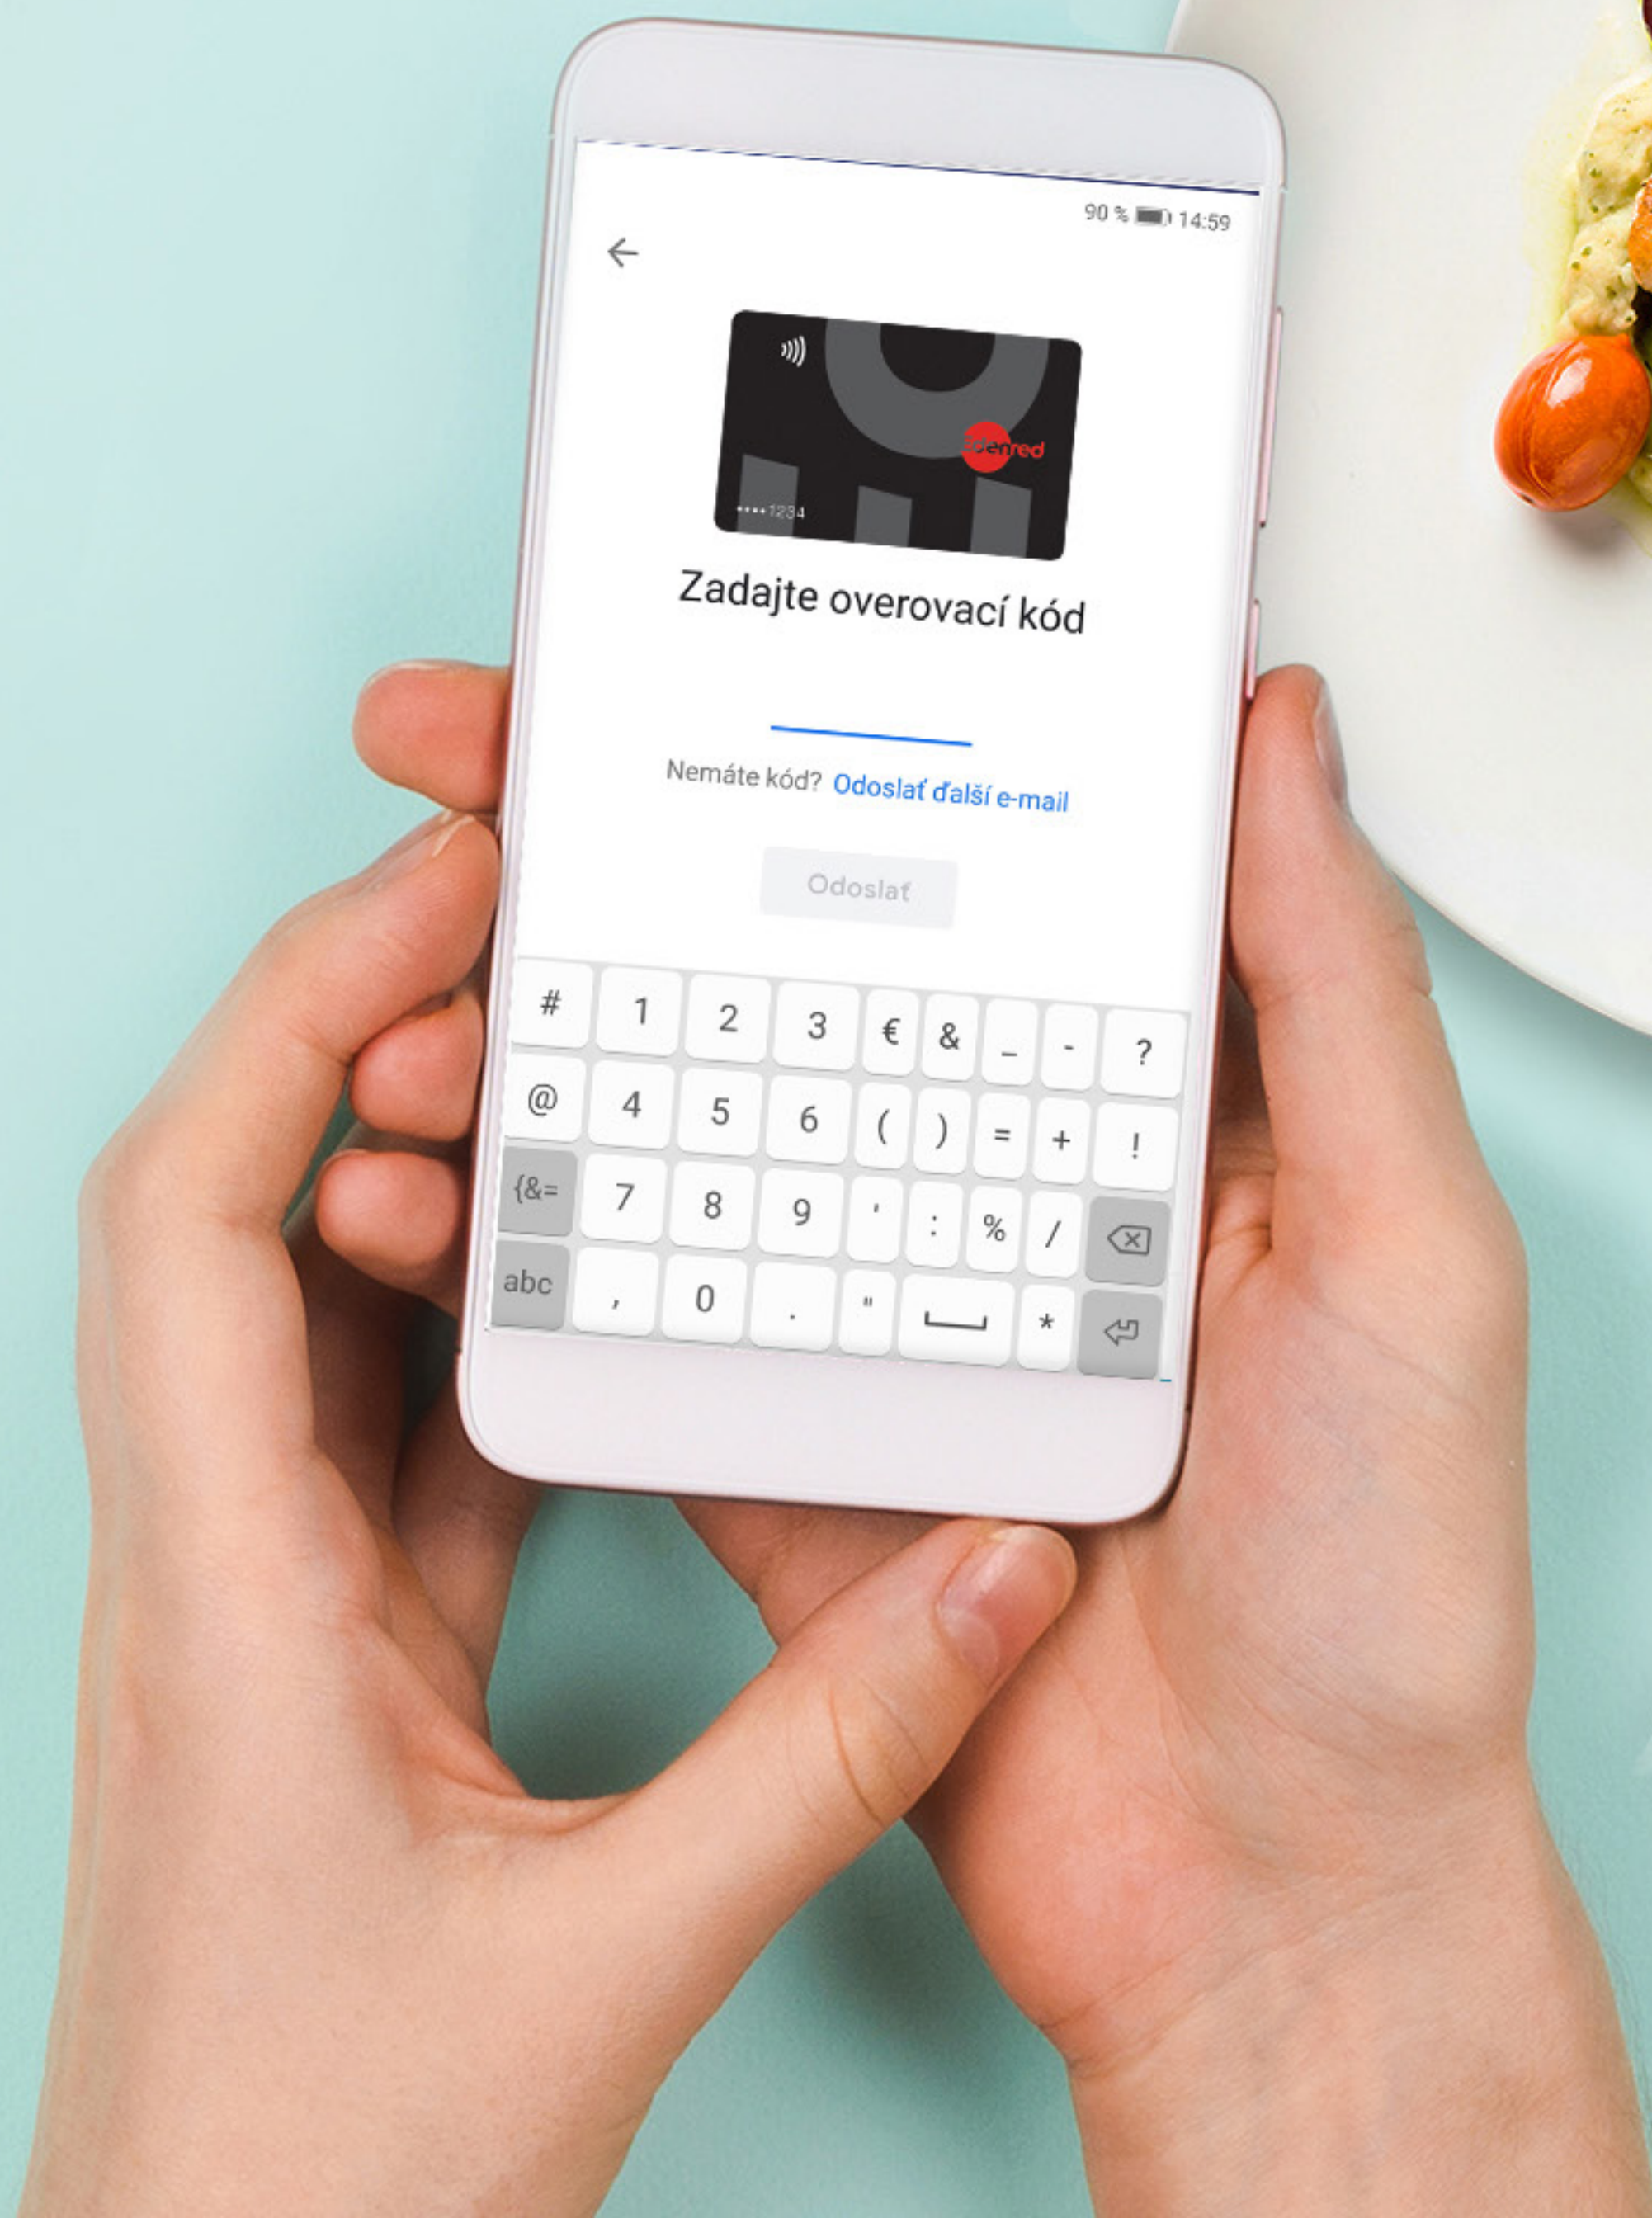

Read and accept the
Edenred Card terms of
use in Google Pay™.

Edenred v službe
Google Pay™

8

Enter the verification code you received at your email address.

9

Your Edenred Card is
ready for use.

vaša karta
je pripravena na platbu
